“What can the Chamber do for me?”

Chambers of Commerce exist to make a difference for your business. Our goal is to help area businesses succeed. We provide our members with vital business advice, skill development and services. The Chamber offers free marketing and promotion on our Facebook page, our website, our Weekly Notes, and through endorsements to people who call the chamber looking for a business. We promote “shopping local” by encouraging our community to have spending habits that support local economy. The public can purchase Chamber Bucks that can be spent at participating chamber member businesses. When asked, “What can the Chamber do for me?” we like to say, “Whatever you need!” Our office disburses every promotional piece you give us, in high traffic locations, We provide business-to-business referrals, volunteer and learning opportunities. Most customers believe that members of local chambers of commerce are involved in the community, use good business practices, are more reputable and care about their customers.

Join us today by visiting our website or stopping by our office!
