Table Tipping with Teresa Lally

Table Tipping is a form of physical mediumship where participants, including a Table leader, seat themselves around a three-legged pedestal table. After a short meditation and protective invocation, everyone places their hands on the Table and the facilitator invites spirit to join them. Spirit then tips the Table up and down, answering questions and spelling out messages. Table Tipping allows everyone the experience of direct connection and communication with those in the world of spirit—loved ones who have passed (both people and pets), spirit guides, even guardian angels. It is an amazing, interactive experience!

Reiki is Universal Life Energy that treats the whole person: physically, emotionally, mentally and spiritually. A Reiki treatment is a powerful but gentle catalyst to healing. Treatments are very relaxing and stress reducing. Reiki promotes movement when feeling stuck or blocked. Regular treatments can help manage chronic conditions.

BARS (Access Consciousness) is a gentle and non-invasive hands-on treatment that allows you and your body to begin releasing all the limiting thoughts, ideas, attitudes, decisions and beliefs.

Hypnotherapy is a state of intensified attention and receptiveness with an increased responsiveness to an idea. Assists in increasing motivation and/or altering behavior patterns such as smoking or pain management, resolving anxiety and phobias, healing childhood/traumatic past, regression therapy and more.

Integrated Energy Therapy provides gentle yet powerful support for survivors of childhood traumas

such as abuse, alcoholic and dysfunctional families. Clears energy blocks that limit your purpose, prosperity and creativity. Painlessly identifies and releases suppressed feelings / core cellular memories.

Massage is a gentle, relaxing way to nurture yourself. It can release tension, improve circulation, and reduce mental and physical fatigue. Revitalizing and energizing—a real stress buster. Trigger point also available.

Soul Retrieval reclaims “parts” of self via journeying, hypnosis (or other means) facilitated to bring more balance and wholeness to you and your life.
