# CONFIRMING THE COVENANT OSLO ACCORD ROAD MAP TO PEACE AND SECURITY

And 'he' shall confirm the covenant with many for 1 week: and in the midst of the week he shall cause the sacrifice and the oblation to cease, and for the overspreading of abominations he shall make it desolate, even until the consummation, and that determined shall be poured upon the desolate.- Daniel 9:27

The purpose of this chart/timeline is to analyze the key milestones of dates for the various stages of the 1993 OSLO ACCORDS. The implementations are between the State of Israel and the Palestinian Authority that established the ROAD MAP TO PEACE IN THE MIDDLE EAST. It appears that there are a series of Year Patterns associated with key start dates in conjunction to the eclipses that lead up to the TETRAD of 2014-15. This analysis is taken from a Judeo-Christian Biblical point of view. Perhaps this Road Map and series of 'confirming covenant's are what the Prophecy of Daniel in the Old Testament is referring to regarding the fulfillment of a last 7 Week Confirmation of a 'COVENANT WITH DEATH'. This Covenant that Israel will make with the Leader of the New World Order will be based on Peace and Security. When will this "CONFIRMING OF THE COVENANT" happen? Perhaps the Tetrad of 2014-2015 will have a direct prophetic significance to this timing of an event that could be the cause for the confirmation to be made with the 'Many'. 2015 will be a key and pivotal year for the 'Covenant' to be in place and in force.

### CONFIRMING THE COVENANT

It refers to the Prophecy of Daniel and the Book of Revelation. A 'confirmation' will be established by a world figure to an already existing 'COVENANT' or Treaty made. This Treaty or 'Covenant' is understood to have already promised to deliver a "Lasting Peace" or "PEACE & SECURITY" guaranteed to Israel. It is possible that the OSLO ACCORD OF 1993 is that 'COVENANT.' The various key stages of implementation dates only requires a 'confirming' of what has already been agreed upon with the 'Many', meaning a multi-national cooperation and understanding.

(1) Some 'One' within the UN, as a possible condition of establishing a sovereign Palestinian State might be the One to 'confirm the Covenant' with Israel. It could be a Land for Peace and recognition of a Palestinian State. (2) A later prominent World Leader will arise, after a probable regional Middle East war (Psalm 83) against a victorious Israel thereafter to confirm the pre-set conditions that will guarantee Israel Peace and Security. (3) The UN could be the "Many" as in many Nations or the QUARTETTE made up of the US, EU, UN and Russia. Regardless of the scenarios, these world political entities will play a significant political, economic, military and religious End Game affecting Israel in the near prophetic future.

The Hebrew calendar has 30 day months with 360 days in a year. The 7th year one month called Adar  ${\rm II}$ to compensate for the extra days as compared to the Gregorian calendar. The 7 years of 360 days would equal 2520 days.

'What we are doing is carrying out a 2-phase strategy. This is a policy that says first we get it as a base to destroy what remains of Israel In order to get to the first step we must persuade the world of our good intentions, that we don't intend to carry out the second

The Road Map is a deception aimed at gaining the support of the nations of the world for a policy which in fact they would disapprove of, namely the destruction of Israel. According to the Koran, muslims are not obligated to honor any agreement or peace treaty made with non-muslims
