From the "sprouts" of Meshulam the Moshiach bean

So here I am lying in the lush LDC sports field, wondering if anyone will ever find me! Why I am here you ask? Well, let me start from the beginning...After a long winter and spring, the summer has finally arrived. With that meaning the start of LDC, my favorite time of year!! I've waited so long for it and its finally here, so exciting!! I woke up extra early to get ready for camp as fast as possible, washed negel vasser, put on my clothes, said brachos, quickly ate breakfast and waited patiently for my ride to leave to camp. I was SO looking forward to this and excited to see who my counselor would be. After we lined up and the head counselors explained to us what the camp theme for this year would be, (hiskashrus to the Rebbe) we were split up into our bunks. We then went to daven shachris, and what a shachris! So much chayus in LDC. It was so incredible to see how much energy the campers had in davening!! After davening we went to learning classes which was really exciting, because we had four Rebbeim teaching different subjects. There was Chumash, Mishnayos, parsha of the week and even Chassidus!! After learning so many new things, it was time for ACTIVITIES!! We played football, hockey, soccer, basketball and more. It was so much fun running around on our beautiful LDC grounds. After which we went to our gorgeous luxurious pool where we swam and played in the refreshing water, an awesome way to end an already awesome first day of camp. On Wednesday, my time to shine had arrived! The wonderful GM's prepared for an

exciting game of SEARCH HUNT!! With all the campers running around looking for different colored strings. Then each bunk competed to make the longest bunk string. After the campers became professional detectives they were ready for the grand Cholent BEAN HUNT!! I was carefully placed, in a hidden place, under some grass, for some campers to find me. Every cholent bean added points to the bunk total. Unfortunately, nobody found me, so here I am still waiting in the field for a lucky camper to pick me up and take me home. After

the whole week, it was finally my favorite day of the week, TRIP DAY!! We had an amazing davening, an even better learning classes and then we got on to the busses to go...ROLLER SKATING!! We had a blast going around and around the awesome rink on roller blades/skates. Obviously followed by a very refreshing swim to end off an amazing day in an amazing camp!! Friday came with an amazing shabbos party with a really inspiring gimmul tammuz presentation shown to everyone about the importance of this special day. We then capped off the week with a hilarious shmryonkee performed by our incredible and

devoted staff here at LDC!! What an amazing first week here at LDC, can't wait to see what they have in store for us next week. Have a great shabbos!! and if you happen to pass by one of my sprouts, don't be shy, say hello. Till next time...here at LDC!!

Traveling Through The Parsha

In the end of this weeks parsha it talks about the

Mitzva of giving gifts to the Cohen. These gifts

are specific gifts the first of your fruits to grow and the first of the wool of the sheep. The Cohen gets the first and best of these and other things only because they work for Hashem in the mishkan. Really the first of everything must be given to Hashem but here he chose to share these gifts with the cohanim. Each Jew has a Cohen which is his nefesh haelokis that means everything he does to serve Hashem. We must give the best of our time which is right when we wake up to daven and learn.

Learning from our Rebbe

When the Rebbe was a small boy in Nikolayev, everyone was afraid of the dangerous Russian goyim. They used to run through the streets, pushing, shouting, and taking things that belonged to the Yidden. One day, Rebbetzin Chana (the Rebbe's mother) heard that the Russians were coming and took her children to a safe place where other women and children were hiding. The frightened boys and girls were crying loudly. If they weren't quiet, the Russians would find the hiding place! The mothers didn't know what to do. One little boy, less than five years old, walked over and smiled at the other children. He spoke softly, gave them some candy, and they all stopped crying. That child was the Rebbe.

DID YOU KNOW?

There were days when the Rebbe would be up so late taking people for yechidus, that he would daven shachris right after he finished Yechidus!.
