More panels or activities for young adult singles (not always taught by older married because many times they forget to relate and easily offend). Feels like we're a forgotten generation when they say the children are the next leaders of the church...it's actually the young adults. Balancing My Ministry (i.e., entrepreneurship) and My Worship How to transition into entrepreneurship as Christian women (many women in the Bible owned their own businesses) Prayer and Meditation Breaking the Stigma of Mental Health and Therapy in the church (for women dealing with depression, anxiety, overwhelm, and abuse) How to use the Spiritual Gifts from the survey we took Modern Ways to Model Christ Using Social Media to Evangelize

Alicia Dorn, East Baltimore (Devotional) Sis. Govan, Sunset (Devotional) I enjoy the mixing of the speakers especially devotional to include all generations. Often times we are selective and place limitations and we have dynamic speakers in this area. Sis. Wallace from Inner City did a wonderful job. Would like to see more of this.
