Hernando Beach Property Owners Association Newsletter ~ March 2019

PRESIDENT'S MESSAGE MARCH 2019

I know we have all been asked "why move to Florida?" Well, after this winter and all the ice storms, freezing temps, snow storms, rain storms, flooding I guess Florida looked pretty good right? Oh yes we had our cold days but nothing like up north. When I heard that my home state Illinois was colder than Antarctica I definitely was thankful I am living here.

So now we go forward and the months are flying by already. We all got to enjoy the Super Bowl and for some a victory, for others a sad day but for many a fun days of parties, gatherings, being with family and friends and always nice to be able to do that.

At our February Association meeting we heard of many issues that are coming up and got quite a lot of information from our guest

Our next meeting will be held **Thursday, March 7th, at 7:00pm** at the **HB Coast Guard Auxiliary**, doors open at 6:45pm.

speaker Jeff Rogers, Deputy County Administrator. The main issue we are keeping a close eye on is the commercial fishing application by Sports Fisherman Landing. Our Government Affairs Committee, led by John Paul Reeve, has been working on this for a few months now anticipating what will be coming up. We have had conversations, emails with county officials and the applicant's representative and look forward to the Public Inquiry Workshop scheduled for March to hear their side of the story. We've researched and on top of all this, as we have been in the past, looking out for our entire community. Even if you do not live down toward that area anything of this capacity will affect the entire community. So as they say "stay tuned for more" and as we go along we will communicate all that we can.

Just a reminder though – this is why it is so important to attend our association meetings. Emails are fine but as we all know, and I've said it before, everyone reads them differently. I type something one way and you may read it totally differently, so being there in person you get to hear it for yourself and you get to ask questions and hear all the other questions that perhaps you thought of but someone else approached, giving you the information you were looking for. I do understand that there are situations that take place and there are times you may not be able to attend a meeting but that's ok. This is why being a member and getting our Beachcomber you get the minutes from each meeting and articles that keep you informed. While we are on the subject of minutes I want to shout out a Big Thank You to our Secretary Pat Cordova who does a phenomenal job on providing the minutes. Each month she records our meetings and then transcribes the minutes giving us all the information that is so important to each and every one of us. So Thank You Pat!

Our life in Hernando Beach is not all issues to deal with but coming up this year we have a great calendar of events that was presented to all by the Hospitality Committee. I want to say it is a pleasure to know that we had so many of our ladies step up for this committee and right off the start get together and plan so many of these fun things coming up. There is a short article on this committee in this issue so remember to read all that is planned.

I always look at March as an Aware Month. The weather gets warmer which brings us all out to enjoy it and take our boats, cars, RVs, bicycles and

gather the family and friends for fun filled days. So I ask that you also make sure whatever you do you are wearing and using the correct equipment. For driving whether in the water or on the road be aware of everything around you. It is also a time for our little animal and bird friends to come out and enjoy so make sure you look around you at all times.

On the roads – please drive carefully! I know it is great to speed and feel the wind around you but there are limits and there are many things around you that you need to be smart and safe about. So yes enjoy it all but use your good side of the brain and watch out for all!

Let's hope we get a Spring this year and not go directly into Summer but either way this is and will always be a wonderful place to live.

Thank you to all of you for your support. Thank you to all our volunteers and ENJOY HERNANDO BEACH! We are truly lucky to live here!

*"Throughout my surgical experience Dr. Higgins continued to be compassionate and patient oriented. While in the pre-op waiting room he visited with me and my husband. He put us at ease assuring my husband that he would come into the waiting room to speak to him as soon as the procedure was complete. He was at my side in the operating room as the anesthesiologist put me to sleep. I stayed in the hospital four days. Dr. Higgins came to check on my progress every day." – Kristin J.S.*

President HBPOA

## MINUTES OF HBPOA, COAST GUARD BUILDING February 7, 2019 @ 7:00 PM

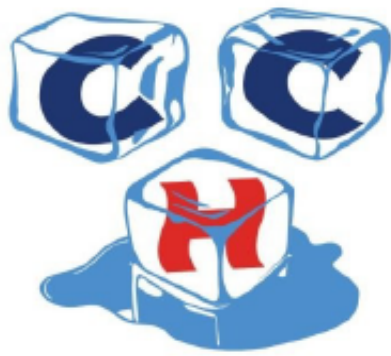

Kathy Frase, Pres., Called the meeting to order at 7:05 PM and lead all present in the Pledge of Allegiance. All attendees were welcomed, including several new members. Kathy then proceeded to introduce Jeff Rogers who is the Deputy County Administrator for Hernando County.

Jeff began his presentation with background information on his education and experience working with Hernando County as well as Citrus County for a number of years. He explained that at the last BOCC meeting, the current Administrator, Len Sossaman, was asked to step down and that a decision will be made at the BOCC meeting on 2/26 re his replacement. In the interim, Jeff will be Acting County Administrator.

Using several slides, Jeff explained that the proposed budget for this year for the County is \$449,108,629.00 and demonstrated how that budget is broken up into various "pieces of the

pie" with categories such as General Fund, Special Fund, Capital Improvement Funds, and Enterprise Funds to name some of the larger portions of the pie. It was interesting to learn that there can be no crossover among the fund categories. What is allotted to any one fund stays in that fund and cannot be used in a different fund. He focused a lot on the General Fund (\$110,776,364.00) from which most of services that affect us are paid. Half of the money for this fund comes from taxes: property, and sales, eg. Jeff also acknowledged that over the past few years in the general fund, the county had spent more than has been taken in (currently a nine million dollar deficit) and the board is focusing on ways to correct this issue. An appropriate question was regarding the "driver" for the increase in expenses to which Jeff responded that it was in large part due to the collective bargaining contract that the county has that controls salary raises and the various incentives that go along with salaries, etc. One suggestion from a member was for sales tax to be raised to address the shortfall since this would affect everyone equally. Jeff acknowledged that the board is looking at

this option but made the point that there is a limit as to how the revenue generated could be spent. There were many questions and a lot of discussion related to the budget, an incredibly complicated subject.

The controversial issue of the purchase by the county of the property just north of Petit Lane for the purpose of creating more parking for the boat ramp on Calienta to the tune of over 400 thousand dollars was addressed next. Diane Greenwell asked how this could even be on the table when not one step of the process outlined in the Master Plan for such an undertaking was followed. Jeff's response was that the failure on their part was that "one hand didn't know what the other was doing." Meanwhile the county has committed to buying the property pending the results of a feasibility study. By way of better news, Jeff commented on the newly paved Osowaw Road and shared that the BOCC will be voting next week on paving Shoal Line from Calienta all the way to Cortez.

Lastly Jeff covered several subjects, the first of which was about various studies that are ongoing

to address such important issues as the impact of boating and other recreation activities on the natural system of the Weeki Wachee River. These studies are to be completed by the end of this year at which time decisions will be made about the future of the River. Several other studies are in process, all to do with issues involving Weeki Wachee River. Next he asked for patience for Republic as they get used to the new system for handling our trash. Jeff talked about how the funds from the Restore Act are going to be allocated and showed two slides that demonstrated some of the projected projects. The last slide pointed out Hernando County is experiencing steady growth and that the board is addressing the impact of such growth on our infrastructure, etc.

Throughout Jeff's presentation, he entertained a number of questions on varied subjects and was very patient in answering them. Kathy thanked him sincerely for his coming out and providing so much crucial information to us.

Following the speaker portion, the business meeting resumed with Kathy's asking for a motion to accept the January minutes as posted in the Beachcomber. Betty McGuire made the motion which was seconded by Ben Martinez and passed without dissent.

In Bud Frase's absence, Kathy provided the treasurer's report which showed a balance on hand Jan. 1, 2019 of \$27,208.88 and a balance on hand of \$23,809.61 as of Jan. 31, 2019. The report will be filed for audit. Kathy also asked for a report from the audit committee which was provided by Cathy Jasper. She and her committee carefully went over last year's books and found that everything checked out 100%!

Kathy read several thank you notes from the beneficiaries of the funds raised at our festival and holiday party, The Boys and Girls Club of Hernando and Operation Heartfelt.

## Discover the Coastal Difference

**Jim and Peggy Tatem** have lived in the Hernando Beach community for 20 years. Having moved up from Pinellas County, they love all the Nature Coast has to offer. Jim and Peggy were the first to bring the prestigious Christies International Real Estate franchise to Hernando County. It is a perfect pairing of a luxury International brand and local experienced Real Estate Agents. Jim and Peggy truly enjoy helping others find that distinctive home, or to sell the one they have. They have been very successful at doing just that. They focus on not only waterfront, but inland properties and acreage. Their track record of fast closings and happy clients can be attributed not only to their dedication and long hours—but to the strong Christies network, helping to link buyers and sellers. In Florida one in ten buyers are International, it is important to tap into that market! They are happy to assist with any of your Real Estate needs.

vamping the area at Hwy 19. In the meanwhile, another car hit the Triangle yesterday and damaged the irrigation system and at least one plant. There was discussion on how to minimize such incidents going forward.

Government Affairs Committee.....Jon Paul Reeve, Chairman, addressed the recent Zoning Amendment Petition from Sport Fisherman's Landing, Inc. (Tommy R. Evans, Pres). It appears that the request for rezoning resembles very closely the recent petition for rezoning by the Birrens which was defeated by the BOCC. As an organization, we are very much against this petition and we are all urged to attend the PIW meeting to be held at the Coast Guard Building on March 6, 2019. The petition will probably come before Planning and Zoning in April and then before the BOCC a month or so later. He asks for volunteers who would be willing to speak during three-minute slots at the P & Z hearing and the BOCC meeting when they occur. Secondly Jon Paul shared that Keith Kolasa is working with University of Florida to have the water in our canals tested and to keep records to study the effect of weather on our water.

Note: Kathy Frase stated that she has been in contact with the county regarding the upcoming PIW because there were some discrepancies prior to the PIW re the Birren petition.

She advised any residents who live within 1000 feet of the property now in question to notify her if a letter re the PIW doesn't come in the very near future. Kathy further informed the county that if procedure before the PIW isn't followed completely, the PIW will not go forward.

Publicity.....Jen Brown asked that any submissions be in by Monday, the 11<sup>th</sup> of February.

Hospitality.....Betsy Chichester, new Chairman, introduced her new committee: Nancy Watches, Tracy Maler, Kelly Dodson, Leeann Flood, and Judy Hughes. These ladies have the ideas and enthusiasm and creativity to match! Betsy announced several functions that have already been planned, a Ladies Tea to be held on April 13 and a Community Yard Sale followed by a barbecue in the afternoon on October 12. This

(Continued on page 18)

(Continued from page 17)

year's Christmas party will be on a Sunday, 12/8, to hopefully avoid some of the conflicts that have affected attendance in the past. There will be a lot more details about all of the planned events as the dates get closer. Betsy next brought up their ideas/hopes for decorating the Triangle for Christmas. They would like to put up a pole with lights in the shape of a Christmas tree and would like to purchase three lights for power poles at the cost of \$1000. Fran Baird moved to authorize this, followed by Dan Chichester's second and the motion passed. Betsy also assured us that there will be refreshments at every meeting now plus a raffle for a door prize. All eligible members' names will be placed in a "hat" and names will be drawn until the name of someone who is present is drawn. One must be present to win. Lastly Kathy Frase asked for a motion from the floor for the \$500 allotment for our Christmas party. Motion by Leeann Flood, seconded by Kelly Dodson passed unanimously.

Port Authority.....Ben Martinez shared that the Port Authority expressed the need for more participation in this vital organization. At the last

meeting two hours were spent on the Sunshine Law as it relates to the Port Authority/how they get their money. Benny found it very informative and really encouraged people to attend. The meetings are held on the third Wednesday of each month starting at 7:00 PM at Linda Pederson Park in the little building there. He will give Jen a copy of the schedule to be published in the Beachcomber.

Crime Watch.....Larry Mayer had several points to make: 1) Volunteers are always needed; 2) The sole purpose of Crime Watch is to watch out for us, the residents; 3) Any moneys donated/collected stay in Hernando Beach; 4) There will be a fund raiser at the Drunken Mullet on 2/16 from 12 to 4 PM. The food is being donated by the restaurant and there will be music, a silent auction and a comedy show! 5) The Sheriff of Hernando County is very interested in residents purchasing The Ring Video Doorbell. There is a website where more information is available and they are sold on Amazon. Kathy stated that we will have the Sheriff come to one of our meetings to talk about this.

## OLD BUSINESS:

Renewal of POA membership....Kathy reminded us that renewals are due by 2/28/19. So far this year we have 130 (168 last year), which she pointed out is in large part due to efforts by realtors such as Margaret Weaver who gives a membership application to every new homeowner. Our hospitality committee has some great ideas regarding the Welcome Bags that should encourage new residents to join also.

Calendars.....Gladys brought 10 of the remaining 53 calendars with her tonight to sell. Any calendars that are not sold after this will be donated to Betsy to be put into the Welcome Bags for new homeowners.

## ANNOUNCEMENTS:

South Hernando Beach Community Yard Sale....Kathy announced that this will take place on March 2<sup>nd</sup> with a rain date of March 3<sup>rd</sup>, starting at 8 AM. Look for balloons on mailboxes.

At this time there is no speaker scheduled for the March meeting. Either one will be procured or we might just utilize that time to talk about the PIW which will occur the day before our meeting. Chuck Greenwell shared that they met the Regional Director of the 2020 census and he highly recommend that we ask him to come and speak at one of our meetings because of the importance of the census. He will get the information to Kathy.

Erin Daly announced the Hernando County Bar Association's Annual 5K/10K inside Weeki Wachee Preserve on March 30<sup>th</sup>. She has flyers and it will also be publicized in the Beachcomber.

Kathy reminded members to join Hernandobeachnextdoor.

## DRAWING:

The drawing for the door prize, a beautifully decorated basket filled with wine, cookies and candy was held and after at least 6 names of people not in attendance were drawn, Sarge Dendy was the happy recipient!

## HERNANDO BEACH CRIME WATCH NEEDS VOLUNTEERS

Hernando Beach Crime Watch Committee is looking for some volunteers to help drive around our area. All you need is to have a few hours a week available to drive around with a buddy. Sometimes just the extra presence seen in a community is a deterrent for crime. All Hernando Beach Residents are invited to their monthly meetings, the second Wednesday of each month at 7:00pm at HB VFW. We hope you will join us even if you do not have time to drive/ride in our crime watch car.

## **High Cholesterol?**

The creator of Gatorade® can help.

**Gainesville, FL** - If you're one of the million of Americans who have been diagnosed with high cholesterol, natural help is now available from the creator of Gatorade®. The highly regarded late Dr. Robert J. Cade, while at the University of Florida, did extensive clinical trials utilizing a special formula he developed containing soluble fiber (acacia gum).

This formula, **CholesterAde**, proved to lower cholesterol in human blood by over 17% during an 8-week period. Not only is this special soluble fiber proven to lower cholesterol naturally, but other positive effects showed weight loss and improved bowel function, which can help reduce the chances of many forms of cancer.

Dr. Richard Goldfarb, MD, FACS, the Medical Director for Go Epic Health, Inc. states "**CholesterAde** is a natural alternative to statins and other drugs that can create many types of health problems."

For the first time ever, Dr. Cade's original delicious-tasting formula, **CholesterAde**, is available at the retailers below. For more information, call 877-581-1502 or go to [www.CholesterAde.com](http://www.CholesterAde.com).
