

You are invited to attend the combined Spring Meeting of the Great Lakes Kiln Drying Association and the Ohio Valley Lumber Drying Association

We would like to invite you to attend the Great Lakes Kiln Drying Association and Ohio Valley Lumber Drying Association Spring Meeting at the Essenhaus Inn in Middlebury, Indiana.

We will be enjoying a tour of Jayco RV manufacturing plant on Thursday morning followed by some informative speakers on Vacuum Drying.

Friday we will tour Middlebury Hardwoods and Indiana Wood Products along with an optional tour of Dry Forest Products, a brand new facility in Shipshewana that is running two Vacuum Kilns.

The Spring Meeting is a great opportunity for members and prospective members to network and learn about each other's businesses and new things happening in our industry.

See you in April!
