## **OLD BUSINESS:**

- **Update on members health:**

- **Junior Easterday:** Glenn Metzler reported that Hospice has been called in three times a week for Junior, so things are not looking good. He is seeing people, call his home first at 740-969-4373.
- **Patt Clifton:** Patt is absent tonight because she is having trouble with her hip and not able to walk again. She is going to the doctor and has a MRI scheduled for later this week.

- **Dues:** Jim Meyer reported that we have about 17-members that have not paid their 2015 dues as of the meeting time. We received one payment tonight at the meeting.

## **NEW BUSINESS:**

- **Cruise-in Flyer:** Ready to go to printing, Steve is busy listing our Cruise-in's on several websites. The Visitors Bureau currently has us on their site. Greg Myers is checking with Channel 5 about getting us on.
- **Trophy Awards:** Steve Hedges approached the group as to what direction to go with the awards at the cruise-in.
  - Option A) Refurbish old trophies and put new plates on them. This would require someone to take this over and collect, clean and assemble the trophies. ID plates cost about \$3.00 each.
  - Option B) Purchase new 7"x9" Plaques for about \$8.00 each. These would store better in the trailer and be easier since we only have to design them and buy them.
  - After a brief discussion Bob Cullums made a motion to purchase the Plaques and put our Club Logo in the middle with the verbiage around it. Seconded by Jim Deal. The Club Members voted (PASSED).
  - Jim Withers suggested we also check with Crown Trophies online and Spotlight Trophies & Awards in Lancaster for pricing.
- **DJ Apprentice:** Tim Arledge asked if anyone would be interested in being an assistant to the DJ. This would be a helper that would learn how to set-up, hook up the sound system, how to play the music, make announcements and help with the door prizes. This way if we have a short notice where Tim is unable to make it to a cruise-in we have a back-up person. Greg Meyers said he would talk to his boys about it.
- **Club Night Out:** Tim Arledge read through a tentative list of places Sandy and Tim are planning for this year. They plan to have a function every month this year. This should on a Club Calendar by mid month.
- **Vendors:** Steve Hedges approached the group regarding if vendors can set up for more than one cruise-in. They would not be the sponsor but could have a booth and display their info etc.
  - Mac Thomas also asked if he could set-up his CD music sales table again this year and donate some of the profits back to the club.
  - After a short discussion Jim Deal made a motion allow vendors to set up at all the shows and approve Mac's CD sales. Seconded by Andy Tarbill. The Club Members voted (PASSED).
- **Pickaway-Ross Vocational School:** Steve asked if we would be interested in providing some people to judge their car show. They have a form to grade by so it should be easy. Jim Stevens said he would be interested.
