Halloween costumes for all ages they can be new or use.

Men and women gift bags each holiday we make gift bags for all men and women in the shelter. Items needed:

Shampoo full both men and women

Conditioner for both

Shaving gel- men

Tooth Brush and Toothpaste for both men and women

Deodorant for both

Liquid body soap

Razors

Ladies all of these shelters also need food. I tried to find close shelters to each Deanery. Once you see the list if you have a shelter close to you other than one I have contacted let me know. I will be giving each of the Deanery Presidents this information and the Deanery Presidents can make copies and pass them on to the CCW Presidents, so they can get the information out.

If you have any questions, please call me or Marie Neir she is my Co-Chair. Ladies the holidays are right ahead of us, so these items will need to get to the shelters by December 1, 2018 The shelters that are not making gift we can keep donating until February 2019.

Please let me know what shelter each of the Deanery's are helping. Please keep track of how bags or boxes you are taking. I need this information for my report. I will-mail each of the presidents so you can let me know how ting are going.

Bless you all
