## Tarmac Replacement Church Grounds

From **Monday, January 27th, to Friday, January 31st**, essential work to renew the tarmac surfaces will cause reduced parking on the church grounds. Please do not bring your car on site unless really necessary.

Care will be required as the tarmac surfaces in place may be loose or uneven underfoot.

The Church building and halls can be used as usual in the days and evenings; but parking will be limited. No emergency access will be blocked should an evacuation occur.

Please follow any directional signs on the church grounds.

## This week let us:

- pray for our friend Stella who is currently in hospital
- give thanks to God for NHS doctors, nurses and staff as well as those in laboratories discovering new treatments
- pray for Donald Trump to think again about his plans which may hurt many ordinary citizens

## Christmas Tree Festival 2025!

If we are to hold a tree festival again this year:

- then more help is needed.
- new ideas on how to fundraise to have funds prior to the festival are needed.
- a bigger church team is needed.
- we need to start planning and preparing now!

If you would like the festival to continue please join a meeting on **Sunday 9th February, at 11am** after morning worship.
