HONOR DESCRIPTION  
UNITED NATIONS  
PEACEKEEPING FORCE  
IN CYPRUS

SPECIAL SERVICE  
MEDAL (NATO)

PEACEKEEPING  
MEDAL

GULF WAR  
MEDAL

The unique work experiences that Jones accumulated over the past decades has contributed to his detailed-oriented nature and ability to identify the best practical solution possible. Reviewing site security and conducting property risk assessment is one of those experiences that are much needed when said processes are matched with building codes and zoning conditions.

From the project management prospect, Jones' work includes building a suitable working environment as well as implementing team building techniques especially in the areas of health and safety and security control systems.
