Note from OBHOA—Spring 2013

Hi Neighbors! Finally... Spring has sprung! I hope you and your families are enjoying outdoor activities as weather permits!

Here are some of the activities planned for the neighborhood this year.

- **OBHOA Meeting**; Monday, May 13; Avon Public Library; begins 6:30 p.m. *Save the date* and participate in this important meeting if possible.

Thanks to May 2012 Neighbors in Attendance!

Agenda:

- Officer Elections
- Treasurer Report
- Neighborhood Safety
- Website
- Entrance Landscaping
- Entrance Signs (lights)
- Volunteers
- Meeting Dates
- Community Activities in Oak Bend Estates
- Neighbor Insights and Input

- **Neighborhood Garage Sale** Saturday, June 8. We're hoping there will be more neighborhood participation since the 500 Race activities will be finished.
- **Summer-fun** Neighborhood get-together! I'm hoping we can plan something fun for all during July or August.
- **December Luminaries** plan a date and figure out who's going to host the assembly and distribution of the luminaries. Several neighbors have expressed an interest in making this a family event with food, fun and beverages.

Please send additional topics of interest to me!—either to share knowledge or ask questions.

Come help keep the place we live, laugh and raise our children one of the best in Hendricks County!

TREASURER TALK

I hope this letter finds everyone enjoying the spring weather. The 2013-2014 invoices will be mailed in the next month. Please watch for them. Your dues are so very important to maintain the quality of our neighborhood. The funds from the dues include maintaining the entrances, advertising for the garage sales, cost of luminaries, and insurance, etc. Thank you for your support.

Important Information to Share:

Please report suspicious activity to the police. Keep your cars inside and locked up. Let's keep our neighborhood as safe as it can be.

Helpful Hints—Remember to keep garage doors down whenever possible. When purchasing large items-break down the boxes and put them in a large plastic bag- so no one can see your purchases.

Remember to clear storm-water drain grates if there is one in front of your home.

If you have a digital photo from our neighborhood and would like to share it, please send it to me via email 😊
