
As the Principal of Cape Coral Technical College, you will provide instructional leadership that will ensure continuous improvement in measurable student performance and achievement. Leading your team through a collaborative and innovative environment, as well as fostering relationships with community partners will ensure student success in your school.

All candidates interested in being considered for an interview MUST submit an online application with the District by visiting apply.leeschools.net.

Job Title: Principal, Cape Coral Technical College

Job Posting: 20192739

Job Close Date: Friday, October 4 at 11:59 pm

Career Qualifications

- Master’s degree or higher.
- Valid school principal certification or the equivalent covering educational leadership or administration and supervision.
- Five (5) years of Highly Effective/Effective teaching experience.
- Three (3) years of Highly Effective/Effective administrative experience.

Essential Job Functions

- Achieve results on the school's goals and demonstrate that student learning is the top priority through leadership actions that build and support a learning organization focused on student success.
THE SCHOOL DISTRICT OF LEE COUNTY

- Enable faculty and staff to work as a system focused on student learning and engage faculty and staff in efforts to close learning performance gaps among student subgroups within the school.
- Maintain a school climate that supports student engagement in learning and generates high expectations for learning growth by all students.
- Work collaboratively to develop and implement an instructional framework that aligns curriculum with state standards, effective instructional practices, student learning needs, and assessments.
- Implement the Florida Educator Accomplished Practices as described in Rule 6A-5.065, Florida Administrative Code through a common language of instruction.
- Engage in data analysis for instructional planning and improvement and communicate the relationship among academic standards, effective instruction, and student performance.
- Maintain high visibility at the school and in the community, regularly engage stakeholders in the work of the school, and communicate opportunities within the school to engage students, faculty, parents, and community stakeholders in constructive conversation about important school issues.
- Demonstrate personal and professional behaviors consistent with quality practices in education and as a community leader.
- Adhere to the Code of Ethics and the Principles of Professional Conduct for the Education Profession in Florida, pursuant to Rules 6B-1.001 and 6B-1.006, Florida Administrative Code
