

1st National Bank Supports FVOAS

Community minded, 1st National Bank, has once again generously donated to Fox Valley Older Adult Services (FVOAS) through their Serve Donation Program. 1st National Bank has been a respected member of the Sandwich business community for many years. This program is an employee choice of deserving Not For Profit recipients. Along with a generous monetary donation, employees volunteer 10-20 hours of service. FVOAS is appreciative of these volunteer hours which are used to help at Grannies Eatery at the Sandwich Fair.

1st National Bank's support of FVOAS assists Seniors in DeKalb, Kane, Kendall, LaSalle and Bureau counties.
