DaiTrell - a North Carolina native, was born in Lexington, NC and now residing in Houston, TX - makes it a mission to never give up on their goals and dreams.

Moving to Houston in 2017 did not come without its challenges... However, DaiTrell began a new chapter with endless possibilities - and despite those challenges DaiTrell persevered and began marking goals off the checklist. Performing and Headlining shows throughout the Houston area, DaiTrell has held residencies at The House of Blues, and City Cellars, HTX; and has been on the artist bill for many showcases.

On February 22, 2022 DaiTrell released his 3rd full studio album "The Journey Continues: Healing" which will be re-released in the last quarter of 2023 ahead of "The Finally Tour" in 2024.

Home is where the heart is, especially for the Holidays! DaiTrell will be home for Christmas, celebrating the 2nd Annual Hometown Christmas Concert with Family and Friends.

In 2022, DaiTrell celebrated 10 years as an independent artist, closing out the year with a Christmas Concert, in his hometown; Lexington, NC. There were other local artists and artists who traveled to celebrate together with smooth R&B, Country, Pop, and Soulful Christmas music.

This year, DaiTrell plans the 2nd Annual Hometown Christmas Concert and would like your help to make it that much more special!
