

Presidents Message: Spring seems to be finally here, the Crocus's, and Hyacinth are blooming and when the sun is out it feels great. Spring also brings many activities to our community. Check the list in the next column. Our Annual Bunny Fun Day was well attended again this year. Many thanks to the Easter Bunny, the many volunteers led by Helen Kelly for making the day so much fun for the kids. There is a list of the wonderful donations from local businesses that helped out with gift cards, cookies and cupcakes. Helens' report is below this message. If you shop at any of these generous business's please thank them. The community council really appreciates their kindness. On April 17th at the Community Center 1193 Sea Street, the council will host the Quincy Community Police Officers to discuss the vandalism, graffiti and community safety. We had to postpone our Open Meeting last Month, due to a scheduling conflict and the Quincy Flood Victims fund-raiser. That event was well attended and raised a large amount of funds that will be distributed to those effected by the flooding of the March 2 storm. We are planning to have the Ward One Councilor, Dave McCarthy in May. Can you believe that twice a month on the 2nd and 4th Wednesday at 3 pm a Mobile Food Pantry gives away free bags of food? Stop by as I said it is Free Food. How can you pass up that opportunity. Spring is also the time for High School Seniors, and College students continuing there courses to fill out the Application from the next column, track down you grade transcripts and mail them to the address on the form before May 6th One Month left. We present the Book Awards by grade point average. There are no special awards so everyone has a chance with good grades to be awarded. In 2017 the community presented over \$9,000.00 to 11 kids from our community. You can't receive a Book Award if you don't get the transcript from school and complete the application. The Scholarship fund is derived from donations from our community. From the memorials, happy birthday wishes or congratulations messages published in the HN Bulletin. We thank you for your generosity and for investing in Houghs Necks Future our students.

See ya around *Dave*

Easter Bunny Fun Day

This year was another huge success for Easter Bunny Fun Day. Even with the snow squalls, the children loved the Easter Egg Hunt on the lawn, as well as making crafts, decorating cupcakes, playing games, and having pictures taken with the Easter Bunny.

Thank you to all of our Community Council volunteers, including Dave, Kathy, Amy, and Gianna DiBona, Jim McCarthy, Cynthia Lewis, Rosemary Zankiw, Ralph Fisher and of course, Kathy "Bunny" Pavidis.

Last but not least, a Big Thank You to **Fratelli's Pastry Shop** for the wonderful Easter cookies, **Confectionately Yours Bakery** for the beautiful Easter cupcakes, and **Stop & Shop, Big Y Supermarket, Star Market, BJ's Wholesale Club,** and **Walmart** for their generous donations of gift cards. Thanks to Father Martin for the use of the hall and lawn.

HOUGHS NECK GARDEN CLUB

As all in Houghs Neck well know, it was a relentless winter battering us with one storm after another, wind and rain or snow, and for the Houghs Neck Garden Club this resulted in the cancellation of several of our programs. However, with April upon us, we look forward to better weather and to the combined annual meeting of the three Quincy garden clubs to be held this year at the Kennedy Center in Quincy on Wednesday, April 11th at 6pm. The Houghs Neck Garden Club will join the Wollaston Garden Club and this year's hosts, the Seaside Gardeners of Squantum, for this event. The speaker is Mary Huntoon whose "Spring Fling" program will include spring floral arrangements.

The Boston Museum of Fine Arts will be holding the annual Art in Bloom from Saturday, April 28th through Monday April 30th and we are pleased to announce that the HNGC has again been accepted to participate in the event. Cynthia Lewis, assisted by Zoe Antonopoulos, will be creating a floral display inspired by one of the museum's art works that will be on display during the event.

The Club will hold two meetings in May. On Wednesday, May 2nd, our speaker is Meg Muchkenhoupt. Muchkenhoupt is an environmental and travel writer, who has appeared on NPR's Radio Boston and WVB's Chronicle and her work has been featured in the Boston Globe. Her topic is "Boston's Gardens and Green Spaces." Bostonians have worked hard to promote gardens, park, and green spaces. Meg will talk about the origins and reinventing of public spaces in Greater Boston. This meeting will be held in the MWRA Community Room at Nut Island, 2nd floor, 149 Sea Street, starting at 7pm with refreshments and a brief business meeting followed by the program at 7:30pm.

On May 23rd at 6.15pm, the Club will hold its annual Plant Auction at the St. Thomas Aquinas Hall in Houghs Neck. This popular event is open to the public. More on this event in next month's Bulletin.

Finally, as in the last few years, the Houghs Neck Garden Club will be granting scholarship awards to high school seniors, with an earlier application deadline this year of April 15th. Please see the Guidelines listed separately.

The Club is a member of the Garden Club Federation of Massachusetts and National Garden Clubs, Inc.

Ping Pong—A new activity for all at St. Thomas Aquinas Hall

Yellow Circle Sports is a Massachusetts based sports recreation center, our focus is to promote "body-moving" activities back into mainstream life for adults (18+). We will host 8 ping pong tables, one badminton court, two sets of corn hole all for one very low play all day price! The normal play rate is \$10 but for parishioners it will be 20% less, that's right, \$8 to play all day!

While this is a recreation league all skill levels are welcome.

Don't be shy if you haven't played before. For training purposes, we will have an automated table tennis practice partner which provides a world-class workout and well as a great training platform for returning the ball. Oh, and for those early-birds free pancakes from 8am until 2pm. We hope to see at St. Thomas Aquinas Hall at 40 Darrow Street, Quincy *every Saturday!*

You do not have to be a memembr of the parish to participate open to all 18+

UPCOMING PARISH EVENTS

Good News from Houghs Neck Congregational Church

Spring has sprung, and Easter has come and... not gone. I trust you know that. From that very first Easter morn when the women went to the tomb and found it empty, things have not been the same. "O Death where is thy victory? O Death, where is thy sting" (1 Corinthians 15:55). We know that nothing (and I mean nothing!) can separate us (that's you and me) from the love of God! Freed from the fear of death and meaningless life we are alive to live, and to love, and to live love. We are all now, in the words of that Avery and Marsh hymn, Easter people!

*Ev'ry morning is Easter morning
 from now on!
 Ev'ry day's resurrection day,
 the past is over and gone!*

Goodbye guilt, goodbye fear, good riddance!

*Hello Lord, Hello sun!
 I am one of the Easter People!
 My new life has begun*

*Daily news is so bad it seems the
 Good News seldom gets heard.
 Get it straight from the Easter
 People:*

God's in charge! Spread the word!

*Yesterday I was bored and lonely;
 but today look and see!
 I belong to the Easter People!
 Life's exciting to me!*

**EVERY MORNING IS EASTER
 MORNING! BELIEVE IT LIVE IT!**

GUIDELINES FOR HOUGHS NECK GARDEN CLUB STUDENT AWARD

The Houghs Neck Garden Club (HNGC) is granting awards to graduating high school seniors who have been residents of Quincy for the last two years and who have been accepted to a school of higher learning. Additionally, applicants must plan to concentrate in one of the following fields: conservation, horticulture, botany, oceanography, forestry, city planning, landscape design, land management, environmental studies, or an allied field.

Applications are available from local high school counselors or by contacting a member of the HNGC. Completed, signed applications must be delivered to Carol Johnston, 46 Bay View Avenue, Quincy, MA, 02169. The deadline for submitting applications is April 15th, 2018.

Upon timely receipt of completed applications, accompanied by a written statement of each student's educational goals (students should not write their names on the essay page), the HNGC Student Awards Committee will review and consider materials. Student(s) granted an award will be notified by phone or mail by April 28th, 2018.

TROOP 6 NEWS

With the crazy weather we have had in the past month, our ice fishing trip was first changed due to lack of ice and then cancelled all together due to the Nor'easter that left us stranded on the Neck. That's ok, we are more than making up for it with all the activities we have planned this spring! Next month we are heading to Fort Adams in Newport, then we are going to try our hand in the Highland Games on Nantucket, then off to Six Flags, then a relaxing week of summer camp in NH. Plus, Eagle service projects, Courts of Honor, Air Shows, Coin Shows, and a few other things to fill in the blank spaces. We are going to be plenty busy!

If you are reminiscing on your scouting days, or wish you were a scout, please come on down and check out the Adult Pinewood Derby being held on April 28th at the Houghs Neck Congregational Church at 7PM. It is a big fund raiser for the Troop and tons of fun for everyone. You can race that old pinewood derby car that you have sitting in the closet, or make the one you always wish you could when you were a kid (or parent 'helping' a kid). Food, fun, music, cash bar, and

50+ cars racing! See the flyer in the Bulletin or look us up on Facebook!

Troop 6 does a fantastic job of keeping our program affordable for all scouts, and our bottle and can drives are one of our biggest fundraisers. Our next bottle drive is April 14th from 9-12 in Labrecque Field parking lot. Our bottle drives will continue to be on the second Saturday of every month, weather permitting. Please consider donating your soda and beer bottles and cans

to us rather than tossing them in your recycling. As our Troop grows, the money we earn is being spread thinner and thinner and we really want to continue to run a program where all the activities can be paid for through the boys fundraising efforts. Please feel free to call if you need a pick up!

Dear Houghs Neck Residents,
 Quincy residents and the City's public safety departments did an incredible job addressing the storm damage caused by the nor'easters in March. I appreciate residents from across the city providing me with updates about their situations following the storms. This was and is for many families a very challenging period. At the recent fundraiser at Alba's in support of the Quincy Storm Relief Fund, over \$75,000 was raised. Thank you to everyone for your work during the storms and your generosity to help our neighbors.

At the State level, the Executive Office of Public Safety and Security and the Massachusetts Emergency Management Agency (MEMA) email us updates for every major storm event in the Commonwealth. They arrange conference calls with municipal and state officials about what the local status is and what different state agencies are doing to coordinate efforts. The Governor has petitioned the Federal Emergency Management Agency (FEMA) to declare the March 2nd storm event as

a federal disaster thereby qualifying us for federal assistance.

At the State House in March, the House of Representatives engrossed House Bill 4327 to address regulation of short term rental units such as Airbnb. The legislation requires minimum health and safety standards for rental rooms, prohibits the creation of boarding houses, establishes a state and local tax rate tier and protects existing lease agreements. It sets up three types of businesses, referred to as hosts. A residential host rents 2 or fewer residential units; an investor host rents between 3 and 5 residential units; and a professionally managed host manages 6 or more residential units.

Each host must keep a record of the number of renters and length of stays, cannot discriminate against renters on the basis of any protected class, and must register their business with both the municipality and the Department of Revenue (DOR). Beyond cleanliness, hosts will have to ensure fire detectors are working, inform renters of the location of fire

extinguishers and exit points in cases of emergency. Municipalities will have full authority to regulate the business and are required to inspect the premises within 60 days of the owner registering with the DOR. A municipality can set restrictions, licensing standards, and fines and penalties for non-compliance. No host can provide more than 28 consecutive days of rental for a customer, thus preventing boarding houses and preserving affordable housing.

The intermediary businesses that conduct transactions for the owner, such as Airbnb, are now subject to certain requirements too. They must maintain at least \$1 million in liability insurance as part of the transaction with the renter. The intermediary business can only list hosts who have registered with the DOR. They must also inform the host of appropriate state and local tax obligations prior to the posting.

Hosts are required to pay a state excise tax and the municipality can choose to impose an additional local tax, similar to the existing hotel/motel tax system. At least half the local taxes collected from professionally managed hosts must be utilized by the municipality to address infrastructure needs of

low and moderate income housing programs.

The legislation also preserves existing lease and rental agreements to protect landlord/tenant relationships. In addition, the renters of short-term rentals (STR) explicitly have no tenant rights based on their short term occupancy.

Lastly, the Governor recently signed into law Chapter 59 of the Acts of 2018, An Act Designating a Certain Park in the City of Quincy as the Richard "Dick" Herbert Memorial Park. The law designates a portion of Wollaston Beach on the corner of West Squantum Street and Quincy Shore Drive in Dick's memory. Dick worked tirelessly to improve Wollaston Beach for all people to enjoy. He was a long-time community activist and served as a charter member of both the Friends of the Wollaston Beach and the Hospital Hill Neighborhood Association. He was also an active member of Quincy's Beaches and Coastal Commission, and worked closely with our youth through the Quincy High School Tennis Team. We miss you Dick.

I wish you all a happy Patriot's Day and fun school vacation week. And with baseball season beginning, Go Sox!

dmccarthy@quincyma.gov.

It has been about a month or since the destructive winds and rains of the March 2nd Nor'Easter hit Ward One. The gale force winds ripped the roofs off of homes, uprooted trees and brought down power lines in our area at a devastating rate. While some members of the community were blessed to have their homes and personal property spared, many members in Ward One/Houghs Neck, especially Post Island Road and the Willows Sea Street area, suffered crippling losses from the storm.

The total cost to the local area both in regards to infrastructure and residential is still rising as evaluations/surveys of damage are continually assessed.

Our seawalls, the Rhoda Street Bridge, streets, sidewalks etc. are being looked at very closely and emergency funding requested by Mayor Koch and approved by the City Council is being applied as necessary. This is a really short term fix to get ourselves back to where we were so we can defend our coastline for now. Additional funding and a more detailed review with the DPW, Engineering firms and the Mayor's office are slated very soon.

Of the total emergency appropriation, \$1.5 million will go towards seawalls and tide gates, including \$365,000 for the seawall in the area of Manet Avenue and Nut Island Avenue, \$295,000 for the seawall in the vicinity of Terne and Shelton Roads, \$285,000 for the seawall at Post Island Road, and \$175,000 for the seawall in the area of Sea and Babcock Streets.

The remaining \$1.4 million will go towards 25 emergency road, sidewalk and bridge repairs. That includes \$300,000 to repair sidewalks along Sea Street, \$300,000 for the roadway

and sidewalk on Post Island Road, \$175,000 for road repair on Terne Road, and \$100,000 for road and sidewalk work on Turner Street.

Seawall repairs have been enormous. Thank you Tighe and Bond, Woodard and Curran and Mayor Koch for proactively getting the job done in the last few weeks. Tremendous effort.

Besides the infrastructure damages we understand the residents that call Ward One home have shouldered the heaviest toll of damages and personal loss. The foundations of some houses along Post Island Road and Sea Street were critically damaged from the rising waters and in some cases major renovations are imminent. We understand the devastation. We also understand that we plan to stand by our residents and assist the best we can. Even though it might get quiet for a few weeks we are still working the issues.

We are thankful for the many organizations across the city that have stepped up and pledged their support to our community. Please continue to stay in touch with me with any questions or issues. I hate to say it, but it is a long process and hopefully we can make it as painless as possible.

You are and will be on the city's priority list. I hope I can help you all along the way. Please keep the faith and work with us as we try to bring the quality of life back to where it should be in Ward One. Hopefully we can look forward to spring and a chance to catch our breath. Thank you.

Moving on to a few Announcements

- The Quincy Storm Relief fundraiser on March 20 which was sponsored by Alba's was a huge success. 75, 000 was raised that

evening. Folks from all parts of the city and outside the city were present to support this needed cause for the families that were devastated during the storm. Quincy Community Action Program's took the lead in assisting the City at the fundraiser and it could not have been a more successful evening. QCAP is also in charge of fund distribution doing an excellent job getting funds to the families that need assistance. Thank you Mayor Koch and QCAP.

- St. Pawtrick's March 17 2018 at the Quincy Animal Shelter was a great event that I attended and support. Lynda Southerland and company did a wonderful job that day continuing to raise funds to assist the Animal shelter. Their dedication is greatly appreciated by all. Thanks to everyone who participated that day.

- Lastly I visited the proposed Compressor Site over the bridge in Weymouth on March 10TH with Councillor's Mahoney and Croall to review the latest with Weymouth elected officials. This site is literally almost touching the shores of Germantown and Houghs Neck. A site I'm against and will be on my priority list to assist Weymouth in making sure we don't get this in the basin that is well over their quota of industrial entities that line our beautiful coastline. Below is a factual reminder of what this is all about. Take time to read this as important dates of approval's or disapproval's are on the horizon

Spectra Energy, now known as Enbridge*, plans to build a 7,700-horsepower Fracked-Gas Compressor Station adjacent to the new Fore River Bridge in North Weymouth, which will adversely affect South Shore residents.

My cell number is 617-845-7111 and my city e-mail is dmccarthy@quincyma.gov.. Both are active..

Thank you and God Bless..
