

## Deep South Region Skirmish Results November 2019

Steve Sheldon

The Deep South Region finished up another year of skirmishing at Nathan Bedford Forrest State Park in Eva, Tennessee, with Forrest's Escort hosting.

November provided perfect fall weather for the weekend, with mornings being brisk and foggy, until the sun rose and drove off the fog and the chill.

Shooting got underway on Friday with individual targets hung out for peppering around noon. Individuals continued Saturday morning as the fog lifted and continued until lunch.

The Carbine match started off the afternoon's team events. 10 teams took to the field. The Union completely dominated the field with their A teams, with the 110<sup>th</sup> OVI taking first place, the 111<sup>th</sup> OVI taking second place, and the 46<sup>th</sup> Illinois taking 3<sup>rd</sup>. The Confederacy rallied with their B team, with the 14<sup>th</sup> Mississippi taking 1<sup>st</sup>.

The competition was a bit more even with the subsequent Smoothbore match. 8 teams were fielded, with the 110<sup>th</sup> OVI taking first place, the 114<sup>th</sup> Illinois taking 2<sup>nd</sup> place, and the 3<sup>rd</sup> Georgia taking 3<sup>rd</sup> place. Again the 14<sup>th</sup> Mississippi's B team took first place.

Saturday evening an awards banquet was held in the main hall, with medals and a selection of prizes available, many provided graciously by Dixie Gun Works.

Sunday morning found all the teams assembled on the field for the Opening Ceremonies, after which the Musket match got underway. There were 11 musket teams. The Union again swept the field with the 110<sup>th</sup> OVI taking first, the 46<sup>th</sup> IL taking 2<sup>nd</sup>, and the 111<sup>th</sup> OVI taking 3<sup>rd</sup>. The 14<sup>th</sup> MS B team again took 1<sup>st</sup> among the B teams.

The Deep South Region will start its skirmish season again next year at Brierfield Ironworks State Park, the weekend of February 14<sup>th</sup> – 16<sup>th</sup>, hosted by the 4<sup>th</sup> Louisiana Delta Rifles.
