

Deborah Chase School of Dance

PreBallet & Creative Movement

PreBallet/Creative Movement is a fast-moving, 45 minute, once a week class designed for children who are 4 & 5 years old, or 6 year olds with no dance experience, or 3 1/2 year olds on a trial basis. **Everything presented is developmentally-based and age-appropriate.**

We emphasize and focus on:

- ★ Rhythm, coordination, and directional concepts such as forward, backward, sideways, diagonal;
- ★ Teaching LEFT and RIGHT and keeping time with the music;
- ★ Following instructions the FIRST time they are given;
- ★ Taking turns and being part of a group.

We use LOTS of props such as scarves, bean-bags, sparkle wands, color rings, butterfly wings, percussion instruments, a parachute, etc.

BOYS!! This class is suitable for the “little guys” too!

The Class is taught by one teacher and 1-2 student teachers. The maximum students per class are usually about 16.

Tuition & Recital: Tuition is \$84 paid every other month. Most of the children that start in September will continue through June when they participate in our annual recital. The cost of the recital costume this year is \$60.00.
