***Our 89th Fair***  
***September 17-19, 2015***

April 6, 2015

Dear Friend of the North East Community Fair,

We are writing to you because either you and/or your children entered exhibits in the 2014 North East Community Fair.

North East is a special place to live and our Community Fair is one of the events that make it so. Do you realize our fair has been happening every year for 89 years? We are a community, family-oriented event that showcases the talents and hard work of our neighbors and friends, encourages youth involvement, and offers fun and laughs for everyone.

We are in need of more volunteers to help keep the fair going. In particular we need help with these departments:

- Crafts
- Fruit
- Needlework
- Friday night contests
- Sat. afternoon Pet Show
- Sat. afternoon contests
- Registration

A job description for Department Chairs is attached – this applies to the person interested in helping with the Crafts, Fruit or Needlework Departments. The Friday night and Saturday afternoon contests require a person who is willing to be a MC and be able to talk in front of a crowd to keep the contests moving. We won't sugar coat the responsibilities because Fair week is a busy week for everyone involved. But for whatever time you can give, we have an area that could use your help.

If you have any questions, or would like to get more information about what we need or do, please call me, Barbara Fynan, at 814-504-5980. Or attend our next meeting at 7pm on April 21 at the North East Township Bldg.

Thank you in advance for considering our request for help.

Sincerely,

North East Community Fair Board of Directors
