

# Fun at the BACK TO SCHOOL BASH

The sixth annual Back to School BASH was held for Plano Community Unit School District #88 students and their families on Friday, August 18, at Plano High School. More than 2,000 people (700+ being students) visited the many community organizations participating with give-a-ways and info, free food, school supplies, bounce house, and music. Many attended the Purple and White Night scrimmages in football, soccer, and volleyball with the cheerleaders interacting with the crowd cheering on our Reaper Teams.

All Plano students received a hot dog, chips, and a drink sponsored by Plano Youth Tackle Football. The BASH event was sponsored by the Plano Community Unit School District #88 in partnership with Plano Youth Tackle Football, Kendall County Health Department, Nandra Family Practice, Northwestern Medicine Valley West Hospital, Aurora University, Fox Valley YMCA, Waubensee Community College, Rush Copley, Heartland Bank & Trust Company, National Hispanic International, Kendall County Outdoor Education Center, Plano Music Boosters, PHS Student Services, PHS Interact Club, Plano Christian Church, Plano Youth Athletic Association, Family Focus, Centennial Counseling, Kendall Area Transit, Parents and Teachers Together, PHS Thespians, PHS National Honor Society, Girl Scouts of Northern Illinois.

Many Plano High School and community organizations participated with the Back to School BASH at Plano High School on Friday, August 18. A new organization representing Plano High School is the Interact Club sponsored by teacher Courtney Voise.

This club consists of high school students who want to make a difference to others by providing services, unifying the community, and helping others. They took donations to help two local families who lost their homes in a fire recently.
