SPONSOR SHOUT OUT

We would like to say a huge **THANK YOU** to our sponsors for the wonderful support that they have provided over the past year.

ALL STAR CHEER UPDATES

What a great start to our first year All Star Cheer Teams! The Cosmos and Starlight's have competed in three competitions so far this year. In November, both teams competed at the Lakeville Invite and brought home 1st place finishes. At the Athletic Championship, our Cosmos team qualified for the US Finals in Chicago that will take place in April. The teams have three competitions left in the season and based on how these girls have grown over the past few weeks, the future is bright for a strong finish to the season.
