Online Learning

The school has decide that the cutoff day for new assignments will be May 22. That falls on a Friday so really the cutoff will be May 21 since we do not assign anything on Friday anyway. From May 22-29, students will have a chance to catch up on any assignments that they still owe.

Let's try to end the year strong and get those assignments turned in!

I am available Monday - Friday from 8:00 am to 3:00 pm. You may call me at (330)333-4562 Ext. 262.

You can also reach me at scott.davis@wbwarriors.org. I will respond as quickly as I can. If you have any questions or concerns, please contact me, I will help in any way that I can.

To get the 8th graders ready for high school history we made some changes so they will be "up to speed" when they come back to school in the fall.

2020 Minibike Build-Off

We are currently working in a way to collaborate on building the bike online. Our parts have been donated by a local business (more on that later) so hopefully we will make some progress and possibly finish the bike by the deadline! Stay tuned for more updates!
