

## Privacy Statement

**EnergyWeb.com** and its affiliate companies, **Carbon Resources of Florida, Inc., Carbon Partners LLC, and Carbon Development Corporation** (hereby referred to as "**affiliates**") are committed to protecting your privacy and developing technology that gives you the most powerful and safe online experience. This Statement of Privacy applies to **EnergyWeb.com** and its **affiliates'** Web sites and governs data collection and usage. By using **EnergyWeb.com** and its **affiliates'** Web sites, you consent to the data practices described in this statement.

### Collection of your Personal Information

**EnergyWeb.com** and its **affiliates'** Web sites collect personally identifiable information, such as your e-mail address, name, home or work address or telephone number. **EnergyWeb.com** and its **affiliates** also collect anonymous demographic information, which is not unique to you, such as your ZIP code, age, gender, preferences, interests and favorites.

There is also information about your computer hardware and software that is automatically collected by **EnergyWeb.com** and its **affiliates**. This information can include: your IP address, browser type, domain names, access times and referring Web site addresses. This information is used by **EnergyWeb.com** and its **affiliates** for the operation of the service, to maintain quality of the service, and to provide general statistics regarding use of **EnergyWeb.com** and its **affiliates'** Web sites.

Please keep in mind that if you directly disclose personally identifiable information or personally sensitive data through **EnergyWeb.com** and its **affiliates'** public message boards, this information may be collected and used by others. Note: **EnergyWeb.com** and its **affiliates** do not read any of your private online communications.

**EnergyWeb.com** and its **affiliates** encourage you to review the privacy statements of Web sites you choose to link to from **EnergyWeb.com** and its **affiliates** so that you can understand how those Web sites collect, use and share your information. **EnergyWeb.com** and its **affiliates** are not responsible for the privacy statements or other content on Web sites outside of **EnergyWeb.com** and its **affiliates'** Web sites.

### Use of your Personal Information

**EnergyWeb.com** and its **affiliates** collect and use your personal information to operate the **EnergyWeb.com** and its **affiliates'** Web sites and deliver the services you have requested. **EnergyWeb.com** and its **affiliates** also use your personally identifiable information to inform you of other products or services available from **EnergyWeb.com** and its **affiliates**. **EnergyWeb.com** and its **affiliates** may also contact you via surveys to conduct research about your opinion of current services or of potential new services that may be offered.

**EnergyWeb.com** and its **affiliates** do not sell, rent or lease its customer lists to third parties. **EnergyWeb.com** and its **affiliates** may, from time to time, contact you on behalf of external business partners about a particular offering that may be of interest to you. In those cases, your unique personally identifiable information (e-mail, name, address, telephone number) is not transferred to the third party. In addition, **EnergyWeb.com** and its **affiliates** may share data with trusted partners to help us perform statistical analysis, send you email or postal mail, provide customer support, or arrange for deliveries. All such third parties are prohibited from using your personal information except to provide these services to **EnergyWeb.com** and its **affiliates**, and they are required to maintain the confidentiality of your information.

**EnergyWeb.com** and its **affiliates** do not use or disclose sensitive personal information, such as race, religion, or political affiliations, without your explicit consent.

**EnergyWeb.com** and its **affiliates** keep track of the Web sites and pages our customers visit within

**EnergyWeb.com** and its **affiliates**, in order to determine what **EnergyWeb.com** and its **affiliates** services are the most popular. This data is used to deliver customized content and advertising within **EnergyWeb.com** and its **affiliates** to customers whose behavior indicates that they are interested in a particular subject area.

**EnergyWeb.com** and its **affiliates'** Web sites will disclose your personal information, without notice, only if required to do so by law or in the good faith belief that such action is necessary to: (a) conform to the edicts of the law or comply with legal process served on **EnergyWeb.com** and its **affiliates** or the sites; (b) protect and defend the rights or property of **EnergyWeb.com** and its **affiliates**; and, (c) act under exigent circumstances to protect the personal safety of users of **EnergyWeb.com** and its **affiliates**, or the public.

#### Use of Cookies

**EnergyWeb.com** and its **affiliates'** Web sites use "cookies" to help you personalize your online experience. A cookie is a text file that is placed on your hard disk by a Web page server. Cookies cannot be used to run programs or deliver viruses to your computer. Cookies are uniquely assigned to you, and can only be read by a web server in the domain that issued the cookie to you.

One of the primary purposes of cookies is to provide a convenience feature to save you time. The purpose of a cookie is to tell the Web server that you have returned to a specific page. For example, if you personalize **EnergyWeb.com** and its **affiliates'** pages, or register with **EnergyWeb.com** and its **affiliates'** sites or services, a cookie helps **EnergyWeb.com** and its **affiliates** to recall your specific information on subsequent visits. This simplifies the process of recording your personal information, such as billing addresses, shipping addresses, and so on. When you return to the same **EnergyWeb.com** and its **affiliates'** Web sites, the information you previously provided can be retrieved, so you can easily use the **EnergyWeb.com** and its **affiliates'** features that you customized.

You have the ability to accept or decline cookies. Most Web browsers automatically accept cookies, but you can usually modify your browser setting to decline cookies if you prefer. If you choose to decline cookies, you may not be able to fully experience the interactive features of the **EnergyWeb.com** and its **affiliates'** services or Web sites you visit.

#### Security of your Personal Information

**EnergyWeb.com** and its **affiliates** secure your personal information from unauthorized access, use or disclosure. **EnergyWeb.com** and its **affiliates** secure the personally identifiable information you provide on computer servers in a controlled, secure environment, protected from unauthorized access, use or disclosure. When personal information (such as a credit card number) is transmitted to other Web sites, it is protected through the use of encryption, such as the Secure Socket Layer (SSL) protocol.

#### Changes to this Statement

**EnergyWeb.com** and its **affiliates** will occasionally update this Statement of Privacy to reflect company and customer feedback. **EnergyWeb.com** and its **affiliates** encourage you to periodically review this Statement to be informed of how **EnergyWeb.com** and its **affiliates** are protecting your information.

#### Contact Information

**EnergyWeb.com** and its **affiliates** welcome your comments regarding this Statement of Privacy. If you believe that **EnergyWeb.com** and its **affiliates** have not adhered to this Statement, please contact **EnergyWeb.com** and its **affiliates** at [info@energyweb.com](mailto:info@energyweb.com). We will use commercially reasonable efforts to promptly determine and remedy the problem.
