

THE LPGA IS BACK!!!!!!

Changing Lives one Swing at a Time

Hello Golf Enthusiast

I am very excited to announce that the nationally acclaimed LPGA-USGA Girls Golf Program will be back again in Greater Washtenaw County. Brookside Golf Course in Saline will once again be the home for this great program. As Site Director and Lead Instructor, along with the Ann Arbor Women's Golf Association, the University of Michigan Women's Golf Club and Brookside Golf Course, we are honored to be involved in this initiative which strives to change the lives of young girls through the game of golf.

Empower ✿ Enrich ✿ Engage ✿ Exercise ✿ Energize

For 29 years, LPGA-USGA Girls Golf has inspired girls to dream big and empowered them through the game of golf. More than 800,000 girls have discovered their swings through our program, and we're working to change the face of the game by reaching another 50,000 girls in 2019. All girls age, 7-17 are encouraged to take advantage of this wonderful opportunity.

The 10 week program starts on Wednesday, June 19th and runs every Wednesday from 1-3pm until August 21st. There will be a final fun scramble scheduled in addition at the end. Girls will receive instruction on golf, play games, have fun sport activities, get out on the golf course and have the opportunity to attend an LPGA golf tournament. Cost is only \$75 for the summer!!! Visit www.girlsgolf.org for more information or to sign up. There is no fee when you sign up on the site and once you are registered through the LPGA, Debbie will be in contact with you to explain more program details. Our site name is LPGA USGA Girls Golf of Greater Washtenaw County.

HOW CAN YOU HELP? Please pass the word to let the young golfers in your life know about the program. We are in need of girls sets of clubs, golf bags and golf balls. We are also in need of financial support to help fund our program and we can always use help during our sessions working with the girls. Checks made payable to LPGA-USGA Girls Golf of GWC. Please contact us if you can help in any way!!! Thank you very much
