18-time national award-winning Southern BBQ

Hog Wild BBQ Co.

We create our mouthwatering Southern BBQ the old-fashioned way, smoking our ribs, pork, chicken and brisket over a hickory and oak fire until it's so tender it falls off the bone. We make our food from scratch, with love, no shortcuts—the way it should be. Because you and your guests deserve amazing food, along with topnotch service.

Take advantage of Hog Wild's **onsite**, **pickup** and **dropoff** catering options this holiday season. Order off our holiday menu or we can customize a menu for you and your guests. Need appetizers? You can't beat our brined smoked turkeys. Or how about our famous smoked wings? Or some authentic homemade Southern pimento cheese spread—known as the 'caviar of the South.' Smaller party? Order meats by the pound, sides by the pint. From small parties to events of over 1,800 guests, we've got you covered. Go Wild for the holidays!
