Message #5

Hello Grand of New Mexico,

I apologize for the late Message; Tomb Trek was this past weekend and decided to wait till after to have the mailing sent out so we could get out any information we needed to.

Tomb Trek was good, wish I could have attended in Person and seen everyone, but it was still good to see everyone via Zoom and thank you to the members who attended. We did elect a new Supreme Guard Dave Johnson from Oregon, Congratulations. Few things to plan for, with COVID not sure what will happen next year:

We did learn that Supreme President Homecoming is going to be February 5-6, 2021 in Virginia Beach, the registration is \$45.00, and dress is business casual. Information will be on the website.

Supreme convention is going to be August 5-8, 2021 in Baltimore, Maryland. All information and links for reservations will be online.

We have little over a month to get all membership turned, so pick up the phones, send letters, social distance at a member's place. Let us get all our membership turned in

Presidents and Secretaries please let me know the following:

WHEN and WHERE you are having your MEETINGS!! I need to know this to be sure meetings are being conducted.

If you are doing anything for Thanksgiving for our Veterans, please be sure to report it on your Hospital Report.

Please continue to be safe, check on your members also. Be sure to mask up and wash hands. If you need anything, please reach out to me or any line officer. We are here to help in any way we can.

Loyally,

Dominique C. Garcia

Grand President
