Games in Rotation Order Wednesday, October 9th

JACKSONVILLE STATE 40 New Mexico State 21. Jacksonville State has finally looked like the team we expected the last couple of games off back-to-back blowouts. New Mexico State is No. 131 in ypp and No. 132 in ypg margins. We're not wild about the side here but do lean OVER with Jacksonville St running thr 8th fastest pace.

Thursday, October 10th

JAMES MADISON 35 Coastal Carolina 24. JMU is off the big upset loss to ULM where they were 16-point favorites. JMU did have a 399-257 yard edge. Coastal has exceeded expectations so far this season but this is a tough task traveling on a short week vs a better team angry off an upset loss.

LOUISIANA TECH 27 Middle Tennessee 21. While Middle Tennessee has played the much tougher schedule (No. 42 vs No. 141), Louisiana Tech's ypp margin (+0.3) is much better than MT (-1.6). MT has a 1st-year coach while LT's Cumbie desperately needs a win in year 3. We bet LT on the open and still lean that way.

WESTERN KENTUCKY 36 Utep 18. UTEP is one of 3 teams to not win a game this season so far. They're a little more respectable than the other two (Kennesaw, Kent St) but are still No. 118 in ypp margin. WKU, despite a winning record is -0.6 in ypp margin this year. We haven't bet the game. The OVER is getting money as both are in the Top 25 in plays per minute.

Friday, October 11th

MARYLAND 28 Northwestern 20. Two teams that desperately need their first conference win of the season. The Terps are off a bye and are the better team statistically (+0.6 vs -0.6 in ypp margin). However, we prefer to take the "doubles" with Northwestern who was more feisty than the final vs Indiana (trailed 27-24 mid-4Q). Lean dog and OVER. Unly 40 UTAH STATE 23. How will UNLY respond after the heart-breaking OT loss to Syracuse last week? Utah State has only one win but has played the tougher schedule (No. 32 vs No. 75) and have an offense that ranks No. 37 in ypp and ypg. This is the largest away favorite role for UNLV in their history (2-3 SU/ATS as double-digit road favorite). We lean with the home dog.

Utah 28 ARIZONA STATE 21. The expectation is we could see the return of Utah QB Cam Rising here but we won't hold our breathe. Utah is off a bye after an upset home loss to Arizona. We like the spot here for them vs an Arizona State team that has 3 wins by one possession or less and a lot of their schedule so far has disappointed (Wyoming, Miss St, Kansas). We leans OVER at the current numbers.

Saturday, October 12th

Miami, OH 25 EASTERN MICHIGAN 21. EMU is 5-0 ATS so far this season with an average cover of 8.5 ppg. They come in off a bye. The two teams are both -0.7 in ypp margin but the difference is this week's biggest strength of schedule disparity as Miami has played the No. 34 schedule, while EMU has played the No. 163 (including FCS). Iowa State 28 WEST VIRGINIA 26. Iowa State's pass offense should have the edge vs a WVU defense that has a No. 126 coverage grade. However, keep an eye on this WVU team that was 2-2, but scored a couple of TD's late to beat Kansas. Last week, after a bye, they destroyed Oklahoma State outgaining them by 330 yards. We lean home dog and the OVER.

Marshall 31 GEORGIA SOUTHERN 30. Big game in the Sun Belt with the winner staying atop the East division. Marshall is the much better team in the stats (+0.5 in ypp margin vs -2.2). However, the spot says Georgia Southern off a bye. We're passing at the current numbers. PITTSBURGH 33 California 28. We like Pitt in this matchup. The Panthers are the far superior team in the stats (+2.7 ypp margin vs +0.7). They're also catching Cal off one of their biggest home games ever. It was Heartbreak Hotel as the Bears blew a 25-point second half leads vs Miami.

KENTUCKY 30 Vanderbilt 16. Best spot of the week has to belong to Kentucky here who comes in off a bye after 3 straight impressive covers. They're catching Vanderbilt off their biggest win in school history. Prior to last week, Vandy was 0-60 vs AP Top 5 teams but they shocked No. 1 Alabama 40-35 as 23.5-point underdogs. Their offense held the ball for 42 minutes but will find things tougher vs this UK defense that ranks No. 5 in total D. We bet UK but value as been lost. Syracuse 31 NC STATE 28. Syracuse is 4-1 after their upset win at UNLV and find themselves road favorites here. In the summer, they would have been double-digit underdogs. NC State is 0-5-1 ATS on the season failing to cover by 12.3 ppg. Their defense is allowing 33.7 ppg and they're playing freshman QB. We lean OVER.

HOME TEAM IN CAPS Missouri 40 MASSACHUSETTS 11. Missouri was exposed last week in their first road game of the season. You'd think they would be angry but this might be the weirdest road trip of the entire CFB season with an SEC team traveling to Amherst, MA. Our numbers like Missouri and the UNDER but we haven't gotten to the window.

BOWLING GREEN 25 Northern Illinois 23. Huge game in the MAC for both teams who have suffered losses this season as double-digit favorites. NIU is the better team in the stats (+1.3 ypp margin vs +0.1) but BG has played the tougher schedule (No. 100 vs No. 148). Both teams are a little banged up but we lean with NIU.

WESTERN MICHIGAN 34 Akron 21. WMU is the better team in the stats (-0.1 ypp margin vs -1.9). Akron did play Bowling Green tough in a 7-point loss last week while WMU didn't cover in a shootout win vs Ball State. However, our power ratings like WMU here.

Louisville 31 VIRGINIA 23. Louisville is off back-to-back losses. The Cardinals have played the tougher schedule (No. 35 vs No. 73) and are the better team in the stats (+2.1 in ypp margin vs +0.6). UVA's 10-point win vs BC was a bit misleading last week as they were +3 in TO's and scored the game's final 24 points. We bet Louisville. **TENNESSEE 37 Florida 20.** We like catching Tennessee off the

shocking upset loss to Arkansas last week as 2-TD favorites. The Vols are still No. 4 in ypg margin and No. 3 in ppg margin. They're playing a Florida team that had a good win vs UCF last week. The problem is when they've faced Top 15 Miami and Texas A&M this year, they were easily out-classed and both those games were at home. Do note that Florida is on a 17-2 SU/14-5 ATS run in the series.

GEORGIA STATE 28 Old Dominion 27. Georgia State has already had two byes this season. How much has that disrupted them under a first-year coach? They are the slightly better team in the stats (-0.5 in ypp margin vs -0.7). We haven't bet the game.

BALL STATE 34 Kent State 27. Stats wise these are the two worst teams in the FBS this year. Ball State is -3.5 in ypp margin (No. 133) while Kent State is -3.6 (No. 134). Ball State's offense is the most proven unit vs weaker competition. We lean OVER which is 5-0 in Ball State games this year by 18.8 ppg

Clemson 40 WAKE FOREST 22. Clemson has won 4 straight since the opening season loss to Georgia. The Tigers rank in the Top 20 in offensive ypp, ypg and ppg. Wake is running the 10th fastest tempo in the country but their defense is allowing 460 ypg. We like the OVER. GEORGIA 42 Mississippi State 8. Georgia is off Alabama and Auburn with Texas on deck. Mississippi State is off a bye and they played Texas tough prior to it (trailed 14-6 late 3Q). UGA did have another player arrest this week and we didn't like their look vs Auburn. With that said, we prefer the UNDER at the current numbers.

CENTRAL FLORIDA 32 Cincinnati 26. UCF has been incredibly disappointing the last two weeks losing to Colorado and Florida by a combined 72-34 despite being favored in both. They have played the tougher schedule (No. 43 vs No. 55) and are slightly better in ypp mrgin (+1.1 vs +0.8). Our power ratings like them here but we haven't gotten to the window yet.

CENTRAL MICHIGAN 25 Ohio 24. There's something weird going on if you've been following line movement in CMU games this year. There's been significant money against them weekly despite "so-so" results . The Chips are slightly better in the stats (+0.8 in ypp margin vs +0.6 and +76 ypg vs +28 ypg) but find themselves a 3-point home underdog? We bet CMU +3 on the open thinking wrong team favored. Toledo 28 BUFFALO 19. Toledo is better than we anticipated this season as they were one of the least experienced teams in the country but we now have them the favorites in the MAC. Buffalo is off a bye but their offense ranks No. 129 in ypp and ypg. We lean OVER.

North Texas 33 FLORIDA ATLANTIC 27. Both teams come in off a bye. North Texas has been the far more impressive team with the No. 8 offense averaging 512 ypg and 40.8 ppg (No. 14). They are +1.7 in ypp margin while FAU is -0.1. With that said, our numbers did call for a bet on the side and total yet.

Utsa 29 RICE 23. Both teams have really disappointed so far this season as they are a combined 2-8 ATS. Our numbers like UTSA on the open and the market has agreed. There has been some value lost. However, we still lean OVER the total even after a big line move.

Georgia Tech 31 NORTH CAROLINA 27. North Carolina has lost 3 straight games and have not covered a single game this season at 0-5-1 ATS failing to cover by 7.6 ppg. However, we think you're starting to pay a premium if you want to fade them. We have Pitt and GT power-rated similarily. Pitt was -2.5 at NC last week and now GT is favored by 5.5. We're passing.

this that would have been a pick-em before the season. We've downgraded UAB 12 points since the start of the season and they definitely looked like they waved the white flag last week allowing 71 points to Tulane. Meanwhile, we've upgraded Army 10 points as they are 5-0 ATS covering by 16.6 ppg. We bet Army -20 on the openers knowing they would take huge money this week but can't get their at the current huge 26.5 number.

UL-MONROE 25 Southern Miss 19. ULM's season win total opened 1.5 at Fan Duel back in February. ULM already has 4 wins and have pulled 3 upsets as a TD dog or more highlighted by last week's 21-19 win over James Madison as 16-point underdogs. This is a program thinking bowl game as they've only been to one in their history. However, can they handle success and do you want to lay points with them as they run the 2nd slowest tempo in CFB?

ILLINOIS 33 Purdue 15. Purdue looks like they have quit starting with the 66-7 loss to Notre Dame in week 3. Last week they lost 52-6 at Wisconsin and they were still taking money in the market late in the week. However, we think you might be paying a premium now. Last week Purdue was +11.5 at Wisconsin, now they're +19.5 at Illinois. On a neutral field, is Illinois 8 points better than Wisconsin? No way, we'd have a monster bet on Illinois.

RUTGERS 23 Wisconsin 21. Wisconsin is off a much-needed blowout win over Purdue. It was their first cover of the season. Meanwhile, Rutgers lost their first game last week 14-7 at Nebraska. Our ratings actually lean OVER here. There's been some shenanigans in Rutgers games the last two weeks as Washington should have scored 10 or more points vs them and last week's game at Nebraska was played in 40 mph wind.

Kansas State 30 COLORADO 26. After what should be a great afternoon and evening of CFB, we get a great late-night matchup here in the Big 12. Kansas State is the better team in the stats (+1.5 vs +0.6)and has played the tougher schedule (No. 12 vs No. 19). However, QB Avery Johnson has struggled on the road and Kansas State has struggled with their pass rush. If they can't get to Colorado QB Shedeur Sanders, we're not sure they have the athletes to cover CU's receivers in space. With that being said, we haven't bet side or total yet.

NEW MEXICO 30 Air Force 24. Air Force is 0-5 ATS this year failing to cover by 14.3 ppg. New Mexco comes in off the bye having extra time to prep for the option and Mendenhall has familiarity with defending it dating back to his BYU days. We bet New Mexico early in the week but this line has been on the move.

San Jose State 28 COLORADO STATE 27. San Jose State has really impressed so far this season at 4-1 SU and ATS under first-year coach Ken Niumatalolo. Their only loss is in 2OT's at Washington State. They are the better team in the stats (+1.2 ypp margin vs -0.4) but Colorado State has played the tougher schedule. (No. 64 vs No. 139). BYU 27 Arizona 24. BYU is 5-0 SU and 5-0 ATS this season covering by 16.4 ppg. They come in off a bye. Arizona is off a misleading loss to Texas Tech last week where they settled for 6 FG attempts and also had 3 TO's. BYU is slightly better in the stats (+1.6 ypp vs +1.4) but we can't get to this high of spread. We lean with Arizona who traveled to the state of Utah two weeks ago and pulled a shocker.

Washington State 33 FRESNO STATE 30. Both teams come in off a bye. Washington St is better in ypp margin (± 0.7 vs ± 0.3) and has played the tougher schedule (No. 33 vs No. 98). They have the No. 10 offense averaging 495 ypg but their defense is No. 127 allowing 469 ypg. We haven't bet side or total here.

ALABAMA 37 South Carolina 17. What will Alabama's frame of mind be here? After the highest of highs beating Georgia two weeks ago to the lowest of lows losing to Vanderbilt for the first time in 40 years last week. If Kalen DeBoer didn't know Alabama faithful are different, he does now. Alabama's offense is still great averaging 7.8 yards per play (No. 4) but you can make a case South Carolina has the better defense (allowing 40 ypg less). We bet OVER.

NOTRE DAME 36 Stanford 12. Notre Dame head coach Marcus Freeman is 8-0 ATS with extra time to prep (bowls, off byes, season openers) covering by 14 ppg. Meanwhile, Stanford is making their 3rd long road trip in 4 weeks here (at Cuse and at Clemson already). It does look like QB Daniels will be back for this game. We bet ND on the openers but are passing now.

† Texas 32 Oklahoma 18. @Cotton Bowl in Dallas, TX. Largest favorite in the series for Texas since 2005. Which just so happens to be the last time they won the National Title and this is arguably their best team since at least 2009. The Horns are in the Top 5 in ypp, ypg and ppg margins. Meanwhile, OU is 4-1 on the season but the Sooners

ARMY 38 Uab 16. Our power ratings are just not built for a game like have a -0.1 ypp margin (No. 90 and are -26.4 ypg (No. 97). They have cluster injuries at WR. We like QB Hawkins future but this is a really tall task here.

> Ole Miss 31 LSU 28. If all things were equal here and we'd have both teams on same rest, same health and at a neutral site, we'd love Ole Miss. The Rebels are No. 1 in ypp margin and No. 1 in ypg margin. LSU ranks only No. 43 and No. 30 in those categories. However, Ole Miss is playing a 7th straight week and 3rd straight conference game. LSU is off a bye. Ole Miss WR Tre Harris who leads the nation in receiving might not play. LSU has developed a pass rush recently and has found a RB in freshman Durham. We're passing on the side but do like UNDER which is 5-1 this year in Ole Miss games.

> UL-Lafayette 37 Appalachian State 27. App State has been impacted by Hurricane Helene off the field. On the field, their defense ranks No. 129 in ypp and No. 129 in ppg allowed. They're facing a solid ULL team that has only lost to Tulane and ranks No. 16 in ypg margin at +155.0. We're not involved on side or total.

> San Diego State 23 WYOMING 22. San Diego State got a conference win last week vs Hawaii and have an opportunity to pick up another here. The Aztecs are just -0.1 in ypp margin while Wyoming is -2.2. Some groups have jumped in on San Diego State this week, but we're not one of them.

> TEXAS STATE 37 Arkansas State 24. Arkansas State is a fraudulent 3-2 team that is -1.9 in ypp margin (No. 126) and has been outgained by 89 ypg (No. 115). Texas State, who is also 3-2, is +1.6 in ypp margin and outgaining their opponents by 120 ypg. They've lost two games by a combined 4 points where they've blown double-digit leads. We thought we'd love them here, but the line is pricey.

> Minnesota 24 UCLA 20. This is not a good spot for Minnesota playing a 7th straight week, flying across the country and off a "storm the field" upset win over USC last week. They're playing a UCLA team that has covered 3 straight games albeit all as a big underdog. The Bruins have played the toughest schedule in the country so far and are taking a step down. Our ratings like Minny, the handicap screams UCLA. Ohio State 28 OREGON 24. The Buckeyes have moved to No. 1 in our power ratings (see next page). Their defense ranks No. 1 in ypp, ypg and ppg allowed. They have the best set of RB's and WR's in the country. QB Will Howard is playing well. The OL is better than expected. The problem is they have played the No. 97 schedule and are taking a large step up in class here. Oregon has had an up and down season so far. They are No. 17 in ypp and No. 9 in ypg margin. Their OL has played better as of late. We haven't bet it yet this week but we'd be interested in the Buckeyes at -3 or less.

> IOWA 22 Washington 19. Washington is the much better team in the stats as they are +2.9 in ypp margin and +206.7 in ypg margin while Iowa is +0.6 and +62.8. The spot says Iowa though as they come in off a blowout loss to Ohio State while Washington is off the big win over Michigan. We lean Iowa at -2.5.

> **Oregon State 27 NEVADA 23.** The market is not high on this Oregon State team. Despite a schedule that ranks No. 113, the Beavers are -0.6 in ypp margin (No. 105). Meanwhile, Nevada is +0.0 in ypp margin despite playing the No. 72 schedule. A lot of money is expected to come in on Nevada here. We bet it at open and feel it has already moved too much.

> Penn State 27 USC 23. USC's defense is improved. They're allowing 16 ppg less and 117 ypg less than last season. However, against Michigan and Minnesota when everyone in the stadium knew those teams would run the ball in the 4Q, the Trojans couldn't stop it. On the other side, can they protect QB Miller Moss? Penn State should get back RB Singleton this week. After rushing for 251 ypg the first 4 games, without Singleton, the Nittany Lions only had 85 yards last week vs UCLA. With all that said, USC has played the tougher schedule (No. 4 vs No. 80) and our power ratings lean with them.

> **Boise State 41 HAWAII 23.** Boise games are 5-0 to the OVER this year by 16.6 ppg. Their games are averaging 81 total ppg. RB Ashton Jeanty is now the Heisman favorite! However, their defense is allowing 403 ypg (No. 103). Hawaii's defensive numbers look good but they haven't faced any offenses anywhere near as good as Boise so far. Right now, we like OVER as one of our favorite bets.

> Memphis 34 SOUTH FLORIDA 25. This game was moved from Friday night due to Hurricane Milton and we're still not sure it will be played even at this date. We like Memphis due to the fact, USF's practice schedule will be impacted this week by the storm and more importantly we think USF QB Byrum Brown is more doubtful to play rather than questionable.

Week 7 Computer Projected Lines for Every CFB Game

For the past eight seasons we have posted computer projected lines for every game on Wednesday. Games where there was of difference of more than 3 points saw our computer lines actually beat the Vegas line at a 487-414-14 (54.1%) clip! That's pretty solid and actually better than our own handicapping in some seasons. Keep in mind, these computer lines don't take into consideration off-the-field factors like revenge or flat spots or if there are late-week injuries. They are basically a power-rating number difference between the two teams that also takes into consideration the home field advantage.

This year's record is a pathetic 7-16 so far. Of the 2 games where our computer is off more than 3 points compared to the Vegas line (highlighted), our favorite team this week to back would be Central Michigan +3.

The Comp column is the computer projected line and the Diff column is the difference between the Vegas line and the Computer line. "+" numbers in the difference column say back the underdog. "-" numbers in the difference column say back the favorite. Let us know if you have questions.

Betting CFB Openers

Every Sunday in Vegas at 11am PT, Circa Sports is the first book in the world to release CFB lines and we bet them every week. We think it's the best value bets we make all week. 2020 was the first season where we tracked every single bet we made and posted them in the weekly newsletters. We were very pleased with our 119-76-3 (61%) record on these Sunday bets with an average line value of 2.6 ppg! In 2021, we were 224-196-5 (53.3%) vs the Circa openers with an average line value of 1.8 ppg. In 2022, we were 314-262-14 (54.5%, CLV 417-122-51 +1.65 ppg). Last year we were 405-358-6 (53.4%, CLV 577-137-55 +2.09 ppg). Below is some of what we bet already. Starting last season, Fan Duel and Draft Kings have been releasing select CFB games a couple hours before Circa so those bets are included below as well.

All bets are either \$550 at Fan Duel, Draft Kings, Westgate and South Point or \$1100 at Circa unless otherwise noted.

Games in Rotation Order Thursday, October 10th

HOME TEAM IN CAPS

San Francisco 25 SEATTLE 22. The 49ers have been favored in all 5 games so far this season yet are 2-3. Last week they blew a big halftime lead to the Cardinals as 7-point home favorites and lost 24-23. Seattle also lost outright as a 7-point home favorite last week to the Giants 29-20. After a 3-0 start, the Seahawks have lost their last 2. This is their 3rd game in 11 days which should not be allowed in this league. We still think the 49ers are a Top 5 team as far as a power rating but this pointspread is a little inflated.

Sunday, October 13th

† Jacksonville 23 Chicago 22. @Tottenham Hotspur Stadium in London, England. Jacksonville is 6-5 in London while the Bears are making their first trip in 5 years (1-1 all-time record). Despite a 3-2 SU and 4-1 ATS record, we think the Bears are fraudulent. They are -0.6 in ypp margin despite playing the weakest schedule so far in the NFL. The Jags finally got their first win of the season last week. They are -0.3 in ypp margin but have played a tougher schedule. With them being used to London, we're calling for the outright upset.

BALTIMORE 30 Washington 24. Washington is 4-1 SU and ATS thanks to the great play of rookie QB Jayden Daniels who is No. 3 in QBR. They blew out Cleveland last week with a 6.7-3.6 ypp edge. Meanwhile, the Ravens have won 3 straight after an 0-2 start. Last week they had the big come-from-behind win at division rival Cincinnati. With the Steelers losing on SNF, the Ravens are right back atop the division. They are No. 1 in ypp margin and No. 2 in DVOA and have played the tougher schedule than the Commanders. Both teams are 4-1 to the OVER and both have dynamic QB's. We lean OVER.

GREEN BAY 27 Arizona 21. The Cardinals come in off the big upset of the 49ers as 7-point underdogs. They dominated the second half. However, we don't like the spot here traveling and playing an early start time. The Packers are No. 3 in ypp margin and we think LeFleur is a Top 5 coach. QB Love should be getting healthier with each passing week. We lean with the Packers. Houston 23 NEW ENGLAND 14. Drake Maye looks like he will get the start here for the Patriots. New England is who we thought they were as after a shocking upset over Cincinnati in Week 1, they've lost 4 straight and rank No. 31 in ypp margin. The Texans are No. 3 in ypp margin and have play a tougher schedule. They escaped with a win over the Bills on Sunday but did have a 425-276 yard edge. Somehow, they are 1-4 ATS despite a 4-1 record. We like them to win and cover here.

Tampa Bay 22 NEW ORLEANS 19. New Orleans QB Derek Carr is expected to miss multiple weeks with an oblique injury. Jake Haener replaced Carr in the KC game on Monday night but Spencer Rattler could also see action. In a matter of 3 weeks, the Saints went from being in the conversation of a Top 3 team in the NFL to now a clear bottom 5 team without Carr. Tampa has extra time to prep after the heart-breaking loss in OT to the Falcons last Thursday. However, they could be playing with other things on their mind considering Hurricane Milton is set to hit the Tampa area on Thursday. We're passing for now. **PHILADELPHIA 25 Cleveland 15.** Last Sunday, Terry Brad-

shaw pondered if Deshaun Watson should be "put down" on the FOX studio broadcast. Obviously, he meant being benched but considering what Watson has done on the field this year (dead last in QBR) and off the field (more allegations), we think it might be the humane thing to do (we're joking...maybe). The trade for him will go down as one of the worst moves in the history of the NFL. The Browns are dead last in YPP margin and dead last in DVOA (advanced stat metric). That's despite playing one of the weakest schedules in the NFL so far. They're playing a Philly team coming off a bye. This could get ugly unless the Browns do what needs to be done with Watson (think "Old Yeller"...again we kid).

Indianapolis 23 TENNESSEE 22. Indianapolis OB Anthony Richardson is set to practice this week. We think he could be a downgrade as Richardson is completing just 50.6% with a 3-6 TD-to-INT ratio while Joe Flacco completed 70% of his passes with a 5-0 ratio the last couple of games. On the other side, Will Levis is also expected to practice this week. He could play which again could be a downgrade considering his TO woes this year. We'll give you some scenarios. If Joe Flacco plays, we like Indy who has the better ypp margin and has played the tougher schedule. If its Richardson vs Rudolph, we'll take the Titans. If it's Richardson vs Levis, give us the UNDER and a brown paper bag

L.A. Chargers 19 DENVER 18. The Chargers are coming off a by and the hope is that QB Justin Herbert is closer to 100% as he has been dealing with a high ankle sprain since week 2. The Broncos have impressed so far this season as they have won 3 straight games. Last week's win vs the Raiders was misleading though as they got outgained 330-289 and were +3 in TO's. The two teams are close stats wise and have played similar strength of schedules. The spot says Chargers but we can't get to the

window as this steep of a number.

Pittsburgh 20 LAS VEGAS 17. The Steelers are who we thought they were after two straight upset losses to the Colts and Cowboys. They are just No. 22 in ypp margin. We obviously don't like the Raiders either this year as we believe there are locker-room issues. They did have a misleading 34-18 loss to the Broncos last week where they had a 330-289 yard edge but were -3 in TO's. The Steelers should have more fans in the stands. We're passing.

Atlanta 26 CAROLINA 21. Atlanta has extra time to prep after their dramatic OT win over Tampa Bay on Thursday. The Falcons rank No. 2 in ypp margin despite playing one of the tougher schedules. Carolina QB Andy Dalton is playing well but the Carolina defense stinks. They rank No. 29 in ypp and No. 30 in DVOA but this seems a little pricey on the Atlanta side.

Detroit 25 DALLAS 24. With all due respect to the Washington/Baltimore game, this is probably the game of the week. The Cowboys are 3-0 on the road this year but yet are 0-2 at home. The Lions come in off a bye. Detroit is better in ypp margin and DVOA but the Cowboys have played the tougher schedule so far. Despite their home struggles we like Dallas here.

Cincinnati 25 N.Y. GIANTS 22. Wow, what a poor matchup for Sunday Night Football especially. When does Yellowstone come back on? Joe Burrow is playing well for the Bengals with a No. 2 QBR rating. However, the Bengals defense is allowing 29.0 ppg (No. 31). The Giants do come in off an upset win at Seattle as 7-point underdogs. The Bengals are better in ypp and DVOA but we can't get to laying more than a FG with a 1-4 team that's already lost twice as a big favorite. Again we ask when does Yellowstone come back?

Monday, October 14th

Buffalo 21 N.Y. JETS 20. The big news is the firing of Jets head coach Robert Salah who was escorted out of the offices. When will Woody Johnson's time come? This franchise is a total mess since he took ownership. This is a huge game for both obviously. The Bills have lost back-to-back since a 3-0 start. QB Josh Allen leads the league in QBR while Aaron Rodgers just looks old (No. 21 in QBR). We lean Jets who could get that one-game bump with an interim coach (Jeff Ulbrich) but would prefer them in a teaser.
