Make-Up Classes

Only one make-up class per session is allowed. Schedule one by speaking to the front desk. Make ups can only be scheduled after class is missed. Please do not just show up without an appointment

Please remember that no two people are alike and no two coaches are alike. The joy of coming to Stars gymnastics is that your kids get to experience the difference coaching techniques. However, our ultimate goal and mission is to provide the gymnasts with a fun, safe, and educational place where they can learn not only gymnastics but life lessons and long time friends.

Hearing laughter and seeing the children make friends is a great aspect of gymnastics. Please speak with your child about their coach and classmates. Ask them about what they like and what they have learned. Keep in mind that what you can see from across the gym, may not be the same as their experience in class. Our goal is to teach them skills and help them move up in levels... BUT we want them to have a POSITIVE EXPERIENCE and FUN time while doing so. Do not get discouraged if your child does not move up quickly. All of the children will learn at their own pace. Remember that it takes even longer as the levels get higher.

If you have any comments or concerns regarding your child's class, please speak with the front desk prior to making any class changes. We would love to hear from you.

Don't forget! Buy Stars a Spring and Earn a Star

Stars Gymnastics floor is losing its bounce. Help us by donating springs. Each spring costs \$2.00 and we need about 1500 springs.

Stars will hang over the floor with names of those making donations.

\$10.00 for 5 Springs= Red Star

\$20-\$30 for 10-15 Springs= Silver Star

\$40 or more for 20 or more springs=Gold Star

All donations are welcome and we appreciate your help as we try to keep our equipment safe and up to date for the benefit of the gymnasts.

We are almost there! Don't forget to donate.
