

COVID-19 STATEMENT

Pitch & Hit Events falls under phase four (arts, entertainment and recreation) of the New York State approach to reopening plan.

We will be operating under an altered schedule in regard to our 2020 tournament events, and are working to release dates for that altered schedule over the next week.

All tournament events scheduled through July 12th are presently cancelled/postponed. Teams will have the option to either A) transfer their registration to an alternative tournament (to be provided) or B) receive a refund/credit equal to full-value of paid fees.

Our staff will be reaching out to all team coaches/administrators via phone in the upcoming weeks to effectively communicate all changes and teams plans for moving forward.

Our primary concern remains protecting the health and well being of the players, their families, the fans, and our staff. We are fully committed to playing as many games as possible this summer, as long as it is safe to do so. We understand that uncertainty with travel will create a focus and need for teams to play locally and are fully committed to providing Western New York tournament baseball.

We continue to ask for your cooperation as we navigate these unique challenges, and appreciate your patience and understanding as we continue to communicate with all team coaches and administrators.
