Dear LTRV Owners,

First and foremost, thank you for your support and confidence in electing the new LTRV Board of Directors. We look forward to serving and representing all LTRV Owners. The top priority for the Board and the Park is to correct the sewer issues and to resolve the pool windows project. As a Board, we will continue to be transparent and provide communications on sewer, windows and other park issues. If you have questions, comments, suggestions, etc. please email the board at membersltrvcascade@gmail.com. We will do our best to address and answer questions, etc. in a timely manner. Information and documents such as LTRV By-Laws adopted July 25, 2021, CC&Rs, updates on park issues, meeting minutes, Board of Director information and announcements can be found on the LTRV Park's website: Leisuretimervparkonline.com. The Board will use the Communications Committee as a tool to communicate to all owners. Announcements, meeting minutes, financials, etc. will be placed on the website. The LTRV Uncensored facebook page will ONLY be used to notify owners of website announcements. The Board will not post park business on facebook or any other social media outlets.

Again, thank you for your support and confidence.

It Takes a Village -

Volunteering is ultimately about helping others and having an impact on people's well-being. Fundamentally, volunteering is about giving your own time, energy and skills freely.

The LTRVP Board of Directors are volunteers who gain valuable assistance and support from other volunteers often helping on a committee. Drawing on the skills and talents of other members greatly benefits our entire community, fosters community engagement and can save money and time. A committee charter helps members set attainable goals with a clear purpose leading to successful outcomes. If you have skills and experience with a task that you think could benefit the LTRVP community contact a board member with your idea. Or, ask to volunteer on an active committee.

We Are All Better Together. Thank You
