RECOMMENDATION FOR TISH NELSON

On behalf of Pueblo Corporate College, the workforce training and development division of Pueblo Community College, I offer my recommendation for **Tish Nelson** as a professional speaker and workshop facilitator.

Outstanding Professional Skills:

- Customizing topics to fit customer needs and expectations
- Ability to deeply connect with trainees and audience
- Adaptability to work successfully with participants with differing levels of experience, education and skills – and at times, within the same group
- Engaging presentations with and *without* (when necessary) technological aids

Working with our division since 2016, she has impressive statistics:

- Over 32 individual courses developed and delivered
- Almost 300 hours of training provided
- Interaction with over 170 participants
- 100% of participants report “Excellent” or “Very Good” regarding the overall quality of her courses on the participant survey
- 100% positive feedback from participants

Individual comments regarding her instruction:

- ✓ “Very helpful & encouraging”
- ✓ “Her positive outlook on learning”
- ✓ “Taking the time to explain each subject”
- ✓ “She is very open at listening – I appreciate that”
- ✓ “Keeping the class interested & involved”

Her skills and compassion make her an excellent presenter and facilitator for any audience. Without hesitation, I enthusiastically recommend **Tish Nelson**.
