PRESIDENT'S MESSAGE: April 2020

How is everyone faring?? I hope all is well with you all. With the Coronavirus situation, changes were made to try to assure all our LADIES, their families and our community maintain their health and well-being. To date, we are still under quarantine and the schools are staying closed until April 30. The Board of Officers has decided we will not be having any scheduled meetings for April and will keep the membership informed as to when we will return to our normal schedules.

I want to thank the following members for continuing to provide the needs of the community: Doris Andera, Katie & Karen Martin and their team of ladies. Also, Janet Romer, Jeanette & Ilene Kidd, and Gay Van Vorst, who have made face masks that have and will be distributed to those organizations that have requested our help. YOU are all HEROES. If I have missed any other specific members, please let me know as I do not want to slight any of our ladies.

With the Bluegrass Festival being cancelled, I would like to ask everyone to think about what the Guild could do to solicit monies to further our services to the community; whether it be a Garage Sale/Fabric Sale, or whatever you can think of that you feel we will be able to do.

Please let ME or ONE of our officers know via: e-mail/phone your thoughts. Our e-mail addresses and phone numbers are located at the top of the newsletter for your convenience.

Hopefully, we'll be back on schedule soon and everyone is busy quilting to get ready for our next endeavor. Wishing you all a very *Happy Easter Sunday*.

Janice (Jan) K. Brock – President

Face Mask Information

Attached you will find two patterns for face masks that are preferred by the hospitals and healthcare workers. There is still a great need. We have requests from Devereux House, Aging Matters and now St. Francis Hospice. If fabric is needed please reach out to Jan Brock.

Doris has been inundated with coordinating quilts & donated materials that her and I have agreed that I will be the drop off for the face masks at this time. My address is 5972 Windover Way, Titusville, FL 32780. If you cannot drop off, please let me know and I can pick up from your home. My phone # is 321-362-5500 (Home) or 618-364-2463 (Cell) or E-Mail: janice.k.brock@gmail.com

80 face masks have been delivered to Aging Matters, so far. They are adding SCQG donation to their website and will be giving us some additional PR

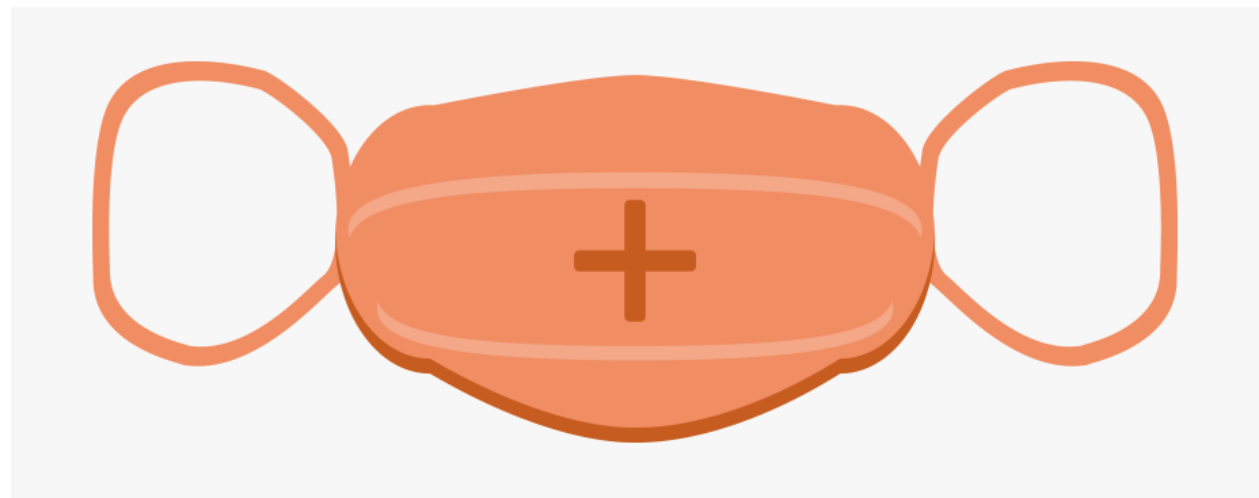

Note from Jan:

As it is the consensus of the board, SCQG will not be meeting during the month of April 2020. We will look at what's happening at the end of April to determine our next move.

All of our ladies are "Wonder Women", and I want to thank each and every one of you who is helping with making face masks for those organizations that have requested the face masks.

Even though we are not able to meet, our thoughts are with YOU through this pandemic.

I am so very proud of our members for stepping up to the need.....Jan

Donation Update from Doris

Hello everyone...We are doing great regarding the quilts for donation.

*We have completed Highway Patrol (52).

*Aging Matters/Meals on Wheels have received one bed size quilt for their yearly fundraiser, one bed size quilt for their Wine event fundraiser, 102 Christmas stockings are finished which will be given to them in September – we will be cutting pillowcase sets out to be sewn with the plan to have 100 finished.

*17 out of 25 size 24x24 for BETA.

*20 out of 30 size approximately 40x52 for the school children.

*USO - 9 out of 20.

*Hospice has a supply in hand and will tell us when more are needed.

*Women's Center has a supply in hand and will ask us when more are needed.

We are grateful to all the members that work so hard donating their time and fabric every year to reach our goals. It would be very much appreciated if anyone would like to work on making donation quilts or items during our "stuck at home" time. Let me know if you need fabric. Thank you to Diana Thompson for the fabric donation. Karen and Janet are working on making face masks for the medical community, these washable, reusable cloth masks can be used over the paper disposable ones. Hope this finds you and your families safe and healthy.

Fat Quarter of the Month

January – any solid color	July – No Meeting
