

Mr. Kalm

Erotic Hypnotist – Dominant Top

David Christopher Harrell

***Dominant for five years of **Shenanigatrix** (formerly known as **Brooklyn_BadGirl**)
Erotic Hypnotist, 10yrs play experience, 20yrs study & theoretical***

Mr. Kalm's lifelong love affair with fetish started at the age of 5 as a burgeoning hypnosexual, with advanced urges due to his early development. At the same time, a more sensual and less all-encompassing attachment grew towards both leather and rope-tying. BDSM culture remained a constant theme in his developing mental life, even as his specialization drew all of his consistent attention. Eventually, Mr. Kalm entered the scene on the internet as an erotic hypnotist 'researching the best ways in which to dominate a woman hypnotically' by starting his youtube channel which produced several successful hypnotic trance videos. In addition, many people intrigued by hypnosis sought him out and were given demonstrations of erotic, recreational, and standard hypnosis.

Having hypnotized many women and men as a source of enjoyment and skill-growth, he encountered the love of his life Brooklyn_BadGirl on an erotic hypno-fetish site. After her arrival in Reno to be with him, she and Mr. Kalm finished creating the first professional dungeon in Nevada – Masquerade Reno. Over the next two and a half years, Mr. Kalm taught classes on hypnosis, DM'd at various parties, and took part in many demonstrations of skill. Mr. Kalm enjoys his current position as Director of Operations for Masquerade Spaces, LLC, compiling notes and information for his upcoming book on Ethical Brainwashing, and being Daddy to his marvelous princess.
