Roundtable Discussion on Executive Functioning

with

Elizabeth Stein, Special Education/UDL Instructional Coach & Mentor Teacher
Program Coordinator at SCSD

Join us as we continue to explore how executive function skills affect learning. This informative, interactive session will review the specific skills and strategies needed to positively impact your child's achievements. Learn and share strategies to support your child's skills with:

- Organization
- Time management
- Working memory
- Self-regulation

Come with questions and be ready to share your experiences as we discuss meaningful strategies and solutions!
