## COVID-19 Economic Impact Payments for Social Security and Supplemental Security Income (SSI) Beneficiaries

Social Security retirement, survivors, or disability beneficiaries who **do not** have qualifying children under age 17, you do not need to take any action with the IRS. **You will automatically receive your \$1,200 economic impact payment directly from the IRS as long as you received an SSA-1099 for 2019.**

SSI recipients will receive a \$1,200 Economic Impact Payment with no further action needed on their part. The IRS projects the payments for this group will go out no later than early May 2020.

**If you have further questions regarding the stimulus check call Jessica**

## Lawn Chairs

With the warm weather arriving many residents bring out lawn chairs. If you have your own chair please be considerate of your neighbors by not putting the chairs under someone's window or blocking the walkways. Chairs are not allowed on walkways; please place them away from the building or in the courtyards. Chairs must be stored in storage areas or your apartment, not in hallways.

**Rents will be collected from the drop box!**
