

BOB & SALLY KOSKINEN

Bob and Sally Koskinen are very active members of the Baraga County community. Bob was born and raised in Baraga and has lived here all his life. Sally grew up in the Lower Peninsula and in 1980 she was visiting family in Baraga for The Lumberjack days celebration. During this visit, she met Bob at the 3rd of July dance at the Baraga Armory. Their first date was the Baraga Lions Pancake Breakfast on July 4th. In 1981, Bob and Sally were married in Armada, Michigan and Sally moved to Baraga where she has been a strong supporter of the Baraga community. Because the Lumberjack days were the beginning for them, Bob and Sally hold the celebration dear to their hearts. They have three children; Mark (Trudi), Scott (Leah) and Gary (Dayna). They also have four grandchildren: Carly, Morgan, Blake and Boden. Bob and Sally have owned Bay Auto Parts since 1991. Bob is a full-time employee at Bay Auto and Sally is the bookkeeper. Sally worked at the Baraga County Memorial Hospital as an RN in management until her retirement in 2012. Bob and Sally continue to stay active and on the run. They enjoy snowshoeing, kayaking, hiking, golfing, spending time at their camp on big lake, and visiting their children and grandchildren downstate. Bob is a member of the Baraga Lions Club, Knights of Columbus and was on the Baraga School Board for 20 years. Sally enjoys quilting and is a member of the Superior Stitchers. Bob and Sally are both active members of St. Anne's Church in Baraga. Sally serves on both the Finance and Parish Council. They are both members of the L'Anse Golf Course.
