

Walk for Veterans

The Sandwich American Legion Post #181 together with the Sandwich VFW Post #1486 led a veterans' walk on Saturday, May 19. This is the second year that the two veteran organizations have held this event to raise funds for mental health concerns and homeless veterans. Participants paid \$20 to walk which included a t-shirt and lunch. Walkers were a variety of ages ranging from 2 years old to upper 70s and walked 1.5 miles from the Sandwich Hospital on Pleasant Street to the Sandwich VFW at 713 S. Main Street. After the walk they had a picnic lunch (hot dogs, hamburgers, chips, cookies) at the Post.
