Stop
the
Suffering

Dear Friends,

Each year thousands of dogs and cats are rescued from rural shelters and adopted to loving, forever homes. With your support, STS was able to **transport over 3,000 dogs and cats** from high kills shelter in southern Ohio, northern Kentucky and West Virginia to rescues throughout Ohio, Michigan, and Canada; **provide veterinary care to more than 270 lives** through our sponsorship program; and **adopt 70 plus lives** to loving homes in 2017.

This year we are on track to surpass these numbers and help even more dogs like Cosmo, a Lab needing a front leg amputation; Flapjack and Dino, puppies that contracted both mange and Parvo; Sue, a former momma with mammary cancer; and Hooch, a senior Staffordshire Terrier needing to get to a rescue in Cleveland. To help continue our mission and keep saving lives, we are asking for your continued support.

We are excited to host **“Bid Your Bark Out!”** This fun night out will include live entertainment, fine food and drinks, raffle and a silent auction. The event will take place on Saturday, September 15th from 6:00-9:00pm at MAPFRE Stadium. By joining our event as a sponsor, your company will receive promotion to our event audience, to our social media followers and at our outreach events around Columbus. Your support will also assist Stop the Suffering in meeting and exceeding our 2018/2019 rescue goals.

The commitment of our valued sponsors is crucial to not only the success of this event, but to the daily victories in our work to help animals, while never wavering from our core value of uncompromised compassion. As a 501c3 nonprofit organization, we rely on public and corporate donations to continue our mission.

For your consideration, an outline of sponsorship opportunities and benefits is attached. We look forward to confirming our top sponsors by June 30th.

Thank you in advance for your support!
