

Oceania fronts the Indian and Pacific Oceans. From Myanmar to Polynesian Islands. Oceania has the most islands. It's largest island is Australia. Who's 1st settlers are the African Aborigine.

The **Aborigine Peoples** are African by origin they wandered via the Indonesian Archipelago into Australia & Tasmania becoming 1st settlers

Aborigine Peoples believe land, people, & all living things were in unity until the arrival of the Europeans (*English Pirates, Convicts & other English-Society rejects*)

The result of European (English) invasion & occupation was a declining **Aborigine** population.

The English brought disease & infected **Aborigine Peoples** causing premature deaths killing many.

The English stole **Aborigine** land & ruined it as food-supply for the **Aborigine Peoples** causing malnutrition & premature deaths killing many.

The English introduced alcohol resulting in **Aborigine** crime increasing destroying families causing premature deaths killing many.

The English introduced smoking introducing the **Aborigine Peoples** to addiction, ill health & slow painful dying.

The arrogant elitist English treated the **Aborigine Peoples** as if they were mindless children. Kidnapping **Aborigine** children & exporting them.

Under John Howard 'The Bully from Down-Under' a political-tyrant, health services for **Aborigine** were run down. Resulting in **Aborigine** women having the shortest life-span on the planet. Genocide by stealth.

Australia is trying to make amends starting with an **Apology**. Reconciliation needs to be next combined with compensation. The unpunished killing of **Aborigine** by Australian State-Police must cease. The Killer-Cops must be prosecuted & get mandatory Judgment-Day-Rehabilitation.

Letter from a Gippsland squatter, Henry Meyrick, to his family in England in 1846: The blacks are very quiet here now, poor wretches. No wild beast of the forest was ever hunted down with such unsparing perseverance as they are. Men, women and children are shot whenever they can be met with ... I have protested against it at every station I have been in Gippsland, in the strongest language, but these things are kept very secret as the penalty would certainly be hanging.

Between **1910-1970**, many Aborigine children were forcibly removed from their families. Children taken were trained to be assimilated to Anglo-Australian culture. Policies included punishment for speaking their local Aborigine languages. At least **100,000 children** were removed from their parents.

Apology to the **A B O R I G I N E** Peoples

Today we honor the indigenous peoples of this land, the oldest continuing cultures in human history. We reflect on their past mistreatment. We reflect in particular on the mistreatment of those who were stolen generations this blemished chapter in our nation's history.

The time has now come for the nation to turn a new page in Australia's history by righting the wrongs of the past and so moving forward with confidence to the future.

We apologize for the laws and policies of successive parliaments and governments that have inflicted profound grief, suffering and loss on these our fellow Australians. We apologize especially for the removal of Aboriginal and Torres Strait Islander children from their families, their communities and their country.

For the pain, suffering and hurt of these stolen generations, their descendants and for their families left behind, we say sorry. To the mothers and fathers, the brothers and the sisters, for the breaking up of families and communities, we say sorry. And for the indignity and degradation thus inflicted on a proud people and a proud culture, we say sorry.

We the Parliament of Australia respectfully request that this apology be received in the spirit in which it is offered as part of the healing of the nation.

For the future we take heart; resolving that this new page in the history of our great continent can now be written. We today take this first step by acknowledging the past and laying claim to a future that embraces all Australians.

A future where this Parliament resolves that the injustices of the past must never, never happen again. A future where we harness the determination of all Australians, Indigenous and non-Indigenous, to close the gap that lies between us in life expectancy, educational achievement and economic opportunity.

A future where we embrace the possibility of new solutions to enduring problems where old approaches have failed. A future based on mutual respect, mutual resolve and mutual responsibility. A future where all Australians, whatever their origins, are truly equal partners, with equal opportunities and with an equal stake in shaping the next chapter in the history of this great country, Australia.

The Australian Government Apology brought acknowledgement of Aborigine Peoples 220 years of mistreatment, child-stealing & neglect by consecutive English speaking European Colonial governments.

Universe Custodian Guardians support Apology. We pray that Aborigine Peoples lifestyle & survival will start improving. We noticed that Australia's Parliament took guidance from our Media-release: **3.07.3.2, 4.02.3.3**

Australia's Parliament was alive for the 1st time in it's history. As PM Rudd made positive history by apologizing to Australia's 1st settlers the African **Aborigine**

The Apology was endorsed by former PM's: Whitlam, Frazer, Hawke & Keating. The Aborigine People were emotional, relieved, happy, hopeful & humble in their Acceptance.

It was a blessing that the Bully from down under: Evil, corrupt, deceitful, dishonest, incompetent & immoral past PM John Howard was not present. Howard made in the previous 11 years **Aborigine** life a living nightmare.

Australia practices, racial, sexual & wealth apartheid. Apartheid exists when a minority has less or more rights(privileges) than the majority. Apartheid as community standard is immoral, unacceptable, a crime. Interest groups promoting self-interest are promoting apartheid.

Aborigine are part of Australian apartheid. They demand special priv-ileges (rights). They base this demand on past wrongs by Christians and English Hereditary Tyrants. Past wrongs are acknowledged.

Aborigine have on all levels of Government different Rules and Regulations then non aborigine. This is not acceptable, in a multi cultural society. Everyone lives by the same Rules and Regulations.

Aborigine Peoples part of a multicultural society

Australian Law (bad, corrupt, unjust,...) benefits the Evil well off and exploits, punishes, terrorizes, vilifies the Good people. Corrupt Government is replaced. Law is changed using the Law Giver Manifest as guide. Well Off are asset stripped, caged. MS R6. NO billionaires or millionaires.
