COLOR LASERJET ENTERPRISE CM4540 MFP PRINTER SERIES

CM4540 • CM4540f • CM4540fskm

Set your sights on productivity with this high-performance MFP. Print high-impact color documents quickly and easily with an MFP that packs robust paper handling, market-leading management and security features into a desktop footprint. Copy, Scan, and Digital Send functions support multiple workflows, and HP Easy Select touchscreen control panel makes this MFP easy to use. Plus, easily integrate HP and third-party solutions developed on the HP Open Extensibility Platform.

Brilliant results made simple

- Process jobs at the MFP with the award-winning HP Easy Select control panel. Print from the walk-up USB port.[7]
- Achieve sharp contrast and bright color with high-gloss toner. HP ImageREt delivers crisp, consistent detail.
- Pre-installed Original HP LaserJet print cartridges and optional high-capacity black cartridges save time.[5]
- Get the paper capacity you need—600 sheets—in a space-saving size or upgrade to 1100 or 2100 sheets.[4]

Market-leading manageability and extensibility

- Proactively manage printing fleets and control color usage and costs with HP management tools.
- Simple setup wizards for save-to-folder and scan-to-email functions make digital workflows a breeze.
- Extend your MFP capabilities with a rich portfolio of solutions that are easy to integrate.
- Easily print to this HP ePrint-enabled MFP while away from your desk—and stay productive on the go.[1]

Protect your data with advanced security features

- Protect sensitive data stored on your HP MFP with the standard encrypted HP High-Performance Secure Hard Disk.
- Attach security solutions to the control panel's hardware integration pocket for a seamless appearance.
- Process jobs securely without compromising efficiency and speed via user authentication, IPsec and IPv6.
- Create, print, scan and share sensitive business information securely via encrypted e-mail and PDFs.

Minimize your environmental impact

- Get up to 50% energy savings over competitive products, using Instant-on Technology.[2]
- Save paper and conserve resources—use digital workflows, two-sided printing, PIN print and image preview.[6]
- Get free and easy recycling—print cartridges returned through HP Planet Partners are recycled responsibly.[3]
- Reduce shipping materials and packaging waste with optional high-capacity black print cartridges.[5]

TOP FEATURES

Brilliant results made simple

Take care of jobs at the MFP with the award-winning HP Easy Select control panel for a trouble-free user experience. Preview digital send jobs to add, delete, and reorder pages on the 8-inch pivoting color control panel.[2] Use the walk-up USB port[8] to print directly from—and save scans to—flash drives.

Maximize the impact of business documents. HP EasyColor, HP ImageREt, and HP ColorSphere toner deliver high-quality, glossy text, bold graphics, and vivid images with consistent details.

Process documents quickly with speeds up to 42 ppm letter (up to 40 ppm A4) and a first page out as fast as 9.5 seconds from Ready (A4/letter). Instant-on Technology enables output jobs to begin quickly from low-power mode.

Streamline setup. Original HP LaserJet print cartridges are pre-installed to save time and reduce packaging.

Boost productivity with robust paper handling in a compact device. An input capacity of up to 2,100 sheets means large print and copy jobs can be completed without reloading. With the 900-sheet, 3-bin stapling mailbox that sorts, collates, staples, and stacks documents, the MFP facilitates complex document jobs for your busy office.[1]

Market-leading manageability and extensibility

Increase business productivity and save money by proactively managing imaging and printing fleets and controlling color usage. Manage networked products remotely with industry-leading HP Web Jetadmin, easily restrict color output to those who need it with HP Color Access Controls, and give users instant access to many HP imaging and printing devices with the HP Universal Print Driver.

Use the intuitive setup wizard to easily configure save-to-folder and scan-to-email parameters. Convert hard copies into digital files for fast and easy distribution and storage. Digital workflows are a breeze when capturing, saving, and sending scanned files is as easy as pushing a button.

Do more with your investment. The HP Open Extensibility Platform simplifies the development and deployment of HP and third-party solutions, allowing you to easily integrate solutions such as job accounting, secure printing, and document management.[3]

Print from anywhere, anytime directly to your HP MFP, using a smartphone, notebook, or other mobile device with HP ePrint.[4] For businesses deploying BlackBerry phones, HP ePrint Enterprise enables printing on any networked printing device.[5]

Get the most out of your printer with HP accessories, supplies, and services.

900-sheet 3-bin Stapling Mailbox
Improve workflow management and accommodate multiple users easily with the HP 900-sheet 3-bin Stapling Mailbox. Convenient, automatic job stapling and sorting saves time.

HP Services

Because downtime can have serious business consequences, HP provides high-quality services that extend beyond the standard warranty and help you avoid unbudgeted repair costs. Benefits include reduced printing and infrastructure costs, maximized uptime, expert technical phone support, and predictable, consistent service delivery—even across multiple locations.

Recommended services:

- **Same Day Onsite Service:** An HP technician or authorized service provider arrives at your site within four hours after the service call is received, if this time falls within the coverage window
- **Next Day Onsite Service:** Technician delivered onsite service the next business day after the service call is received

These services and additional coverage options can be purchased as:

- **HP Care Pack Services:** easy-to-buy, easy-to-use support packages
- **HP Contractual Services:** a comprehensive portfolio for maintaining maximum IT availability

[1]Standard and optional features vary by model. [2]Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP LaserJet or HP Color LaserJet devices, and enables appropriate deployment of printers and MFPs to satisfy the demands of connected individuals or groups. [3]Exact speed varies depending on the system configuration, software application, driver, and document complexity. [4]HP recommends that the number of printed pages per month be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period. [5]Average continuous composite cyan/yellow/magenta cartridge yield 11,000 standard pages, average continuous black cartridge yield 8,500 standard pages (CE260A), and average continuous black cartridge high-capacity yield 17,000 standard pages (CE264X). Declared yield value in accordance with ISO/IEC 19798. Actual yields vary considerably based on images printed and other factors. For details see www.hp.com/go/learnaboutsupplies. [6]Declared per ISO 9296 and 7729; values are subject to change. Configuration tested: HP Color LaserJet CP4525dn, printing at 40 ppm on A4 paper. [7]Values subject to change. Power numbers are the highest values measured using all standard voltages.
