

Jackie May

My name is Jackie May and I live in Frankfort, Ky. I retired from Protection & Advocacy in 2013 after working there for over 15 years. After I retired, I wanted to stay involved with advocating for people with disabilities. Therefore, I applied to become a member of the PAIMI Advisory Council. I am a grandmother of twin granddaughters and two grandsons so I am lucky to be able to spend a lot of time with them! I am a cancer survivor and am very involved with fund raising efforts for the American Cancer Society and Relay for Life.
