## THREE GENERATIONS OF CLYDE'S CREATIONS

Here at Canino's we are very proud of our homemade sauces, each generation with their own innovation:

Clyde I began with a broth based smooth red sauce at Canino's Pizzeria in the early 1950's. Clyde II put a new spin on an old favorite with his version of a white cream sauce and called it "Gaetano." Clyde III created the hearty, flavorful marinara sauce to satisfy meat eaters and vegetarians alike.
