DID YOU KNOW?

For the past two years, our charge has purchased 600 pair of reading glasses. It is wonderful to see someone's eyes light up when they can read a verse from The Bible.

Spanish Bibles are given out and Bible studies are conducted. Activities for children include coloring, bible stories, legos, and singing. We utilize local pastors and our interpreters to help provide prayers as needed. People came to salvation during our clinic visits.

Project PET ~ Mobility Worldwide:
Personal Energy Transportation (PET)
is a hand-powered riding cart for people with little or no use of their legs. The carts are provided free but we must pay for shipping and distribution. We have sent about 140 PETs to Honduras since 2013.

Additionally, we shared ministry in a variety of ways including food distribution and financial assistance for feeding programs.

Overall we made incredible connections with the people of Honduras and our friends from Alabama as we are all brothers and sisters in Christ. It was indeed a life-changing experience. We thank you again for all your prayers, encouragement, and financial support.

If you would like more information on our mission and future trips or on our conference Volunteers In Mission trips please see Pastor Annette or Brenda Crow.
