

MEDICAL INSURANCE BILLING AND CODING FOR DENTISTRY CERTIFICATION

November 9, 2019 | 8:30 am - 5:00 pm | 8 CEU

Billing medical insurance can be an untapped revenue source in many dental practices, and is becoming very important in today's competitive environment. Submitting certain dental services to medical insurance carriers for medically necessary procedures, can help increase cash flow and add value to your practice. By understanding the medical coding process, your dental practice will be able to submit claims properly and obtain benefits for patients that otherwise may not accept treatment. This course will provide the information and knowledge necessary to implement a medical billing system in your practice.

Rebecca Gerber will provide the information and knowledge necessary to implement a medical billing system in your practice.
