Lafayette Bobcat Football is a non-profit volunteer organization. We are not affiliated with the City of Lafayette. In order to have a successful program, **parent volunteers are needed**. You can volunteer in any of the following areas:

- \_\_\_\_\_ **Assistant Coach** :: Assist the Head Coach during practices, games, and off-field preparation as needed. Assistant Coaches are required to complete a Coaches Application, undergo a Background Check, and attend any coaching clinics required by the LBF Board.
- \_\_\_\_\_ **Team Mom** :: Assist the coaching staff in communications with parents. The Team Mom also communicates with LBF Board members in order to get information to parents. *Note: Team Moms **must have email** access in order to fill this position.*
- \_\_\_\_\_ **Game Day Field Prep** :: Assist the Field Manager in HOME game field preparations, including painting lines, placing yard markers, and sideline setup.
- \_\_\_\_\_ **Game Day Field Take Down** :: Assist the Field Manager in taking down the HOME game field equipment and removing trash and debris from fields after the games.
- \_\_\_\_\_ **Concessions** :: Assist the Concessions Manager with the duties of running the concessions stand on game days.
- \_\_\_\_\_ **Fundraising** :: Assist with the duties required for the various fundraising events hosted by the LBF throughout the season.
- \_\_\_\_\_ **Website** :: Assist the Webmaster with content displayed on the LBF website, including game photography.
- \_\_\_\_\_ **Sponsorship** :: Assist in gathering sponsorships/donations from local businesses. Help identify potential sponsors, follow through with collecting the committed funds, and facilitate the requirements LBF promises the sponsor based on the level of sponsorship agreement.
- \_\_\_\_\_ **Chain Gang / Play Counter** :: Part of a 3-person crew that operates the first down markers and chains during games. Parents typically take turns for a quarter or a half. Play counters keep track of the number of plays from scrimmage throughout the game, as the younger age groups do not use a traditional clock.
