Additional REQUIRED information:

First thing Friday June 8 upon leaving Hickman, KY, we will cross the Mississippi River on a ferry. Coast Guard safety regulations place a 150 passenger limit on each crossing. Accordingly, we will need multiple trips to get everyone across. In the spaces provided, please indicate your preferred time to cross by **CIRCLING** "1st" by that crossing time. As online registrations may cause a time slot to fill between the time you mail this form and when we receive it, your first choice of times may be full. Therefore, please also circle your second and third choice of crossing times. (Times are approximate!) To keep trips in balance, once you have selected a time, it CANNOT be changed. You will receive a color-coded wristband at check-in; you will only be able to cross at the time for that color.

Circle your first, second, and third choices: 7:00 AM 1st 2nd 3rd 7:45 AM 1st 2nd 3rd 8:30 AM 1st 2nd 3rd

To help us better understand how to reach the largest number of prospective registrants, please **CIRCLE** how you learned about **Ride the Fault Line:**

Refunds/insurance:

If you must cancel your registration prior to April 15, 2018, there will be a \$75 processing fee. No refunds for any reason after April 15, 2018. Accordingly, you are encouraged to obtain trip interruption/cancellation insurance. If you require medical treatment or ambulance services for any reason while on the ride, **you are responsible for payment**, and should therefore bring your insurance card and keep it with you on the bike. Midwest Cyclotouring, LLC reserves the unconditional right to modify the tour route or itinerary without prior notice due to weather, road, river, or other unpredictable conditions.

***Base fee** includes, for each rider: Outdoor camping space each night, free indoor camping option each night; indoor showers and/or shower trailer; baggage transportation for two bags (see "FAQ" or "Rider's Guide" pages on website for details on types of baggage accepted); maps, cue sheets, and route markings; minimum of two rest/water stops each day; on-route mechanical and SAG support; tickets for ferry passage; week-long parking for one vehicle at the start/finish site; entertainment; overnight town shuttle bus service (where required).
