2012 Schedule of Shoots and Events

January 20-22, 2012	Meat Shoot	Riverton, WY
January 27-29, 2012	WSMLA Convention and trade fair	Casper, WY

Note from WSMLA President

Howdy Fellow Muzzle Loaders!

What a hectic couple of months it's been! WRML held our annual Memorial Day Shoot and had a lot of people come in to camp and pretty decent weather Friday and Saturday. We had a lot of fun at the Saturday night feed and were able to do a memorial cannon shoot, along with kids' games and hawk & knife. Unfortunately, the snow paid a little visit to the shoot site Sunday morning and made for an interesting morning. We ended up having to shut down early, but at least we had a good time during the first couple of days. Thanks to everyone who braved the mud and snow to join us!

State Shoot was held by DCML during the 2nd weekend in June. Kyle and I made it over for a little bit, but didn't end up shooting. With all of the wedding prep, I think we both just need a weekend to rest. We did go and hang out at the camp one afternoon though and what a beautiful day! Looks like there was a wonderful turnout and I hear the meat that Dane cooked up was delicious! Thanks for hosting and doing a great job DCML!

We just wrapped up the 1838 Rendezvous in Riverton on Sunday, July 3. It was a wet weekend, with the river cresting at least 2 times. Fortunately, the traders were very flexible and moved camp out to the parking area, which stayed amazingly dry for the rest of the week. After moving the wedding the morning of the ceremony, we were also able to stay dry; although an hour after and the wedding site was flooded too! We had a wonderful ceremony and Kyle and I would like to say thanks to all who were able to attend or sent well wishes our direction.

Don't forget, the Sierra Madre Muzzle Loaders' annual shoot in Encampment is coming up July 22-24 and the Big Horn Basin Muzzle Loaders will be holding their 25th Annual shoot in Ten Sleep July 30-August 1.
See ya on the range.

I'll talk at y'all next news letter,

Angie Lehto President WSMLA 2011

News from the Editor

Summer is finally here! The good news is we made it through my daughter's wedding with no problems, we also beat the great rains from the memorial weekend so every was great. If you want to look at pictures of the wedding they are posted at http://kellinixon.smugmug.com/Denver/Wedding-Photography/Julie-and-CJ-Wedding/17319233_GVsfjs. We left Ft. Collins Sunday morning and drove up to Riverton, Charlie wanted to participate in the knife shoot at Riverton. By the time we got to the range everyone was gone, gate closed, cold and wet. We spent the night in Riverton and woke up to snow the next morning and had snow most of the way back to Worland. Oh well, welcome Wyoming weather. There is still a lot of snow on those mountains to come down. Shoot results from the Wind River Memorial weekend shoot, Ed Green and State Shoot are posted in this newsletter. I will also try and get them posted on the web site.

I made it down to the State Shoot at Glenrock sponsored by the Deer Creek Muzzleloaders. I had a great time. I even shot pretty well for once. Weather was perfect except for the little rain shower after dinner on Saturday evening. This caused a lot of people to leave and also delayed the hawk and knife contest to Sunday Morning. Ginger and Rooster thought the hawk and knife throw on Sunday worked real well and they may consider doing it this way in the future. The Deer Creek Muzzleloaders have a good bunch of members who are willing to pitch in and host a great shoot. Dane cooked up a great meal. Thanks Dane for tending to the cooker all day. There were a lot of people I haven't seen before so that was great. The big problem was there were only 2 junior shooters and no Sub Junior shooters. Somehow we have to figure out how to get the 4-H youth away from their x-boxes and get them involved in our shoots.

We made a mad dash down to Riverton for Angie and Kyle's wedding. 1838 was basically under-water; everything was moved because of the flooding. I would imagine that 1838 and Wind River muzzleloaders have suffered some damage from the flooding. All of the creeks in our area have been out of their banks several times due to the earlier rains and now the snow melt. The water levels seem to be slowly going down, so it will be awhile till everyone gets an assessment of the damages.

We still have several events coming up to get involved in: The Sierra Madre, Big Horn Basin Muzzleloaders, State Bench and Pie Shoot. You can still qualify for the Traveling Trophy next year at Sierra Madre, Big Horn Basin and State Bench.

The Big Horn Basin Muzzleloaders is hosting the 25th annual primitive shoot. Because this is our 25th anniversary we are going to offer a free shoot; no cost except to shoot the Traveling Trophy. We are working on special medallions for participating in our shoot. There will be plenty of paper targets, primitive shoot, hawk and knife, plus a potluck dinner on Saturday Evening. Prizes will be awarded for paper and primitive contests. So everyone please come help celebrate our 25th anniversary.

Tom and Sherrie Brewster's son-in-law Rod Salzman was seriously hurt in an accident June 17th at his 20th high school graduation party. He is being transferred to a rehabilitation hospital in Casper, WY. Keep him and his family in your prayers for a speedy recovery from his injuries. A fund has been established at Security State Bank to help defray medical expenses for Rod Salzman and family. Contact Security State Bank at 307-4300 to contribute.
Keep your powder dry!

Bill Morrison

Traveling Trophy Qualifiers so far 2012

We are starting all over for 2012 for the State Traveling Trophy. Sponsoring Clubs: Please forward the qualifiers to Ginger Baumann at the following address: Ginger Baumann, baumannginger@gmail.com , P.O. Box 808, Douglas, WY 82633

Qualifiers: (The highest score qualifies but all scores 50 or over qualify)

JUNE-	DEER CREEK SHOOT -
Man	Gary Gavin 48x
Woman	Carrie Gavin 46x

Traveling trophy qualifying contests will be held a Sierra Madre, Big Horn Basin primitive shoots and WSMLA Bench match.

Ed Green Rifle Frolic

By Ed Kern aka Stage Coach

Just a note to thank all of you that came to the 4th Annual Ed Green Memorial Rifle Frolic. This year the weather could not have been better. No snow, high winds or anything. This was the 2nd year we have had a quail walk, the 12 stations kept the shot gunners busy. Along with the rest of the matches that were there were plenty of things to keep a person very busy. I found that I could not shoot everything and still visit with friends and just enjoy the county and the good people that came out to participate. The score sheet should give you a good idea of what went on. Quite a lot for a weekend.

Friday started out at noon with the trail walk, quail walk and re-entry match. Saturday was the busiest day. With the good turnout we were running a little behind schedule. Mainly starting matches later then was posted. This is one of the things that we are going to have to work on improving. We want to keep the Ed Green reasonably priced, family friendly and open to all muzzleloaders. That is why it is set up the way it is. The shooting schedule is there so our club members can have their match and then enjoy the rest of the shoot. We want the shoot to be fun for you and us too. It must be working, because it is getting bigger every year. We had 74 registered participants this year. Not everyone was a shooter. We registered everyone so there is not anything that a person can't do. Well, that is if you're too old to get into the kid's games.

While we are talking of kids, Karen and her helpers kept the kids quite busy. Jeannie Dunn brought out her miniature horses and gave the kids cart rides. She had two carts and I saw Albert's Sister, Missy, driving one a time or two. I think we owe a big thanks to all that helped and organized things for the kids giving all members of a family something to do is helping the Ed Green grow.

The Saturday night pig roast was well attended. We again want to thank you for the side dishes and for the donations to help pay for the pig. There was plenty of roast pig left so we hope that you took all you wanted home with you.

If you were here at the Ed Green Memorial shoot, we hope you had a good time. We will try and make it so you can enjoy yourselves. If you did not make it this year we hope to see you next year. Take Care. Stage Coach.

Wind River Muzzleloaders Memorial Day Shoot Results.

Well we had quite an interesting weekend for our Memorial Day Shoot. It was nice starting out on Friday and things were looking good with shooters showing up to participate. The wind did pick up a bit in the afternoon and it kind of shutdown some of those on the shooting range. Frank and the crew that he got from Lander put on a real interesting shotgun match after the range closed. I am not sure who won (Dave Hein I think stole the show) but I know all that participated had fun and said it was a challenge. The guy (Gary) running the stations said he wished that their clays club had our range to shoot clays at. Saturday was another real nice day with lots of shooting going on. We ended the day with a fine meal, tributes to Bob Hampton, George Thornberg, Mike Cash, Steve Foster, Dave Wheeler, Travis Bennett, Lockey Hamilton, Ed Green and all of our muzzle loading family that have gone to the promised land. The Liars, Cheats & Thieves rolled our cannon out and we did a lot of salutes to our lost comrades and friends. After the dinner meal, we did hawk & knife and kids games (this included flint and steel fire starting, candy cannon and a piñata).

Sunday morning was quite a different scene. We awoke to rain turning to snow with the promise of more of the same on Monday. Our shooters were rather scarce so the club members decided to call it quits on a snowy Sunday morning in the fine month of May where we are suppose to see flowers instead of snow showers. We handed out prizes at around 11:30 (our prize committee did a wonderful job in getting this done at such short notice) and everyone parted ways a bit wetter but with some real nice prizes. We really do appreciate all that were not scared by the flood threat / predicted weather that showed up and participated. We were unable to shoot for the fine knife that Bill Rynor made and donated (out of deer from the Rattlesnakes, Big Horn sheep from the Rams horn and gold that was panned from South Pass) but maybe we can try again next year for the same knife. Thanks Bill for the thought and donation. Thank you Rabbit for the bag that Dottie ended up with on the silent auction, maybe I can get her shooting (or not). All in all it was an interesting weekend and one I wish to not endure again. I really enjoyed seeing you all but what is with this weather. I had fun and hope you all did in spite of the conditions (I've been in worse). Thank you to all of you that donated prizes. We really had some nice ones donated this year and I know the prize committee would also like to thank you all.

The Shoot results will follow. Thanks again to all of you that came and we missed all that were not with us because of other commitments or the fact that they have departed from us.

After all this was and still is Memorial Day and we really need to remember the loved ones that have departed. Hope you all have a great time at all of the shoots this year and a fun time together. The shoot results from our Memorial Day shoot will be on the following pages. Thanks Again, He Who

Limited Paper Matches

Paper Range 9-5 Saturday

9-12 Sunday

Hawk/Knife/Cow Chip Throwing Saturday evening

Candle Shoot Saturday Evening

Traveling Trophy Qualifier

Awards for Men, Women, Junior and Sub Junior

The Big Horn Basin Muzzleloaders are planning their 25th annual primitive shoot at the Brewster Ranch, located north of Ten Sleep, WY. We are planning on a fun shoot with lots of great prizes because this is the 25th Anniversary we will be offering a **“free shoot”**. Except for Traveling Trophy targets, there will not be charge for other targets or to participate in our annual event. Donations however, will be accepted. BHBML will cook up hamburgers and hot dogs, everyone bring something for the potluck dinner and help celebrate our 25th Anniversary.

A full slate of traditional Muzzle loading events is planned. No optics except by range officers. Open front and rear sights only. NMLA rules for scoring. Only traditional Muzzle loading hunting rifles using patched round balls. No under-hammer or in-line actions and no Black Powder cartridge guns.

Camp Rules: -Dogs are allowed but must be under adult control. No horses allowed. No vehicle parking allowed in the primitive camp area except to load and unload. Wood available, bring plenty of drinking water because it can become quite hot during the day.
