Private sessions for holistic modalities:

Reiki is Universal Life Energy that treats the whole person: physically, emotionally, mentally and spiritually. A Reiki treatment is a powerful but gentle catalyst to healing. Treatments are very relaxing and stress reducing. Reiki promotes movement when feeling stuck or blocked. Regular treatments can help manage chronic conditions.

Hypnotherapy is a state of intensified attention and receptiveness with an increased responsiveness to an idea. Assists in increasing motivation and/or altering behavior patterns such as smoking or pain management, resolving anxiety and phobias, healing childhood/traumatic past, regression therapy & more.

Integrated Energy Therapy provides gentle yet powerful support for survivors of childhood traumas such as abuse, alcoholic and dysfunctional families. Clears energy blocks that limit your purpose, prosperity and creativity. Painlessly identifies and releases suppressed feelings / core cellular memories.

Massage is a gentle, relaxing way to nurture yourself. It can release tension, improve circulation, and reduce mental and physical fatigue. Revitalizing and energizing—a real stress bust-er. Trigger point avail.

Soul Retrieval reclaims “parts” of self via journeying, hypnosis (or other means) facilitated to

bring more balance and wholeness to you and your life.
