

SSE WARM HOME DISCOUNT SCHEME TO CLOSE

Scottish and Southern Energy's Warm Home Discount scheme is due to close Tuesday, 31st January.

The Warm Home Discount is a Government scheme that offers financial assistance to people most in need of help paying their energy bills.

It isn't a cash payment. Instead, you'll get a one-off £140 discount on your electricity bill or extra credit on your Pay as You Go meter. You'll get this before May 31, 2017.

The scheme is open to two types of households – the 'Core' group and the 'Broader' group.

If you're in the Core group you'll get the Warm Home Discount automatically. If you're in the Broader group, you can apply for it if you meet the qualifying criteria.

Application forms will be removed from the SSE website on 31st January and any completed application forms should be returned to SSE's Priority Services department by the 14th February, 2017.

Please see the link below to find out whether you qualify.
