

All The King's Horses CHILDREN'S RANCH
December, 2018 Ana J. Lucore

Every day is Christmas – a time to sing!

December nights are a time of extended darkness locked down in the coldest cold. It is the month of the winter solstice – the longest night. And in Bethlehem, December is often the coldest month. Although the exact date of Christ's birth remains controversial, it is most appropriate that the light of God and the warmth of his love would invade the planet in December. And many are the testimonies of those who cried out to the Lord in the darkest, coldest moments of their life when His light and love birthed hope over their hopeless situation. The last month of the year is wrapped up in a Baby's birth. It is the end of a year stamped with the beginning of an Eternal Life. Isn't it like God to bless us all with His incredible gift of love? He takes the end of things and makes them new! He shines light into the dark places and sheds love upon a loveless world. Surely in His gift — Jesus Christ — he sent to us a Son Who is, like the angels sang, God's peace and good will toward mankind. A happy Jesus' Birth Celebration to you! Thank you for rejoicing in His love with us here at The Children's Ranch.

Here is one of our young ladies practicing to sing at Sunday morning service.

The words were woven between what the Lord has done and how He directs our lives.

The tender voice of this young woman blessed the entire congregation.

This young lady shows off her own creation!
Along with some other Ranch originals,
this wreath is hanging on an evergreen tree
along Benson's main street.

Both of these young women sharing their
God-given talents to cheer others.

A special thank you to Shop-With-A-Cop
event coordinators for the day our boys
got to spend in Sierra Vista interacting with law
enforcement specialists and first responders.
Christmas shopping and interacting with these
authorities give these young men new insight
into the kind hearts behind the badge.
MERRY CHRISTMAS TO OUR POLICE FORCE!
